

## ***EXAMINATION QUESTION PRACTICE (EQP)***

**ACCA – DECEMBER 2008 EXAMS**

**CIMA – NOV 2008 EXAMS**

We are launching a **new Exam Question Practice Day Programme** - EQP day. Our EQP is a one day course designed to help you improve your examination technique and technical knowledge.

**The course involves the following (for all ACCA & CIMA students except Fundamentals (ACCA) and Certificate (CIMA) levels):**

- ✓ Completion of an examination standard mock exam in a supervised environment in BPP approx. 1 to 2 weeks before the scheduled EQP day.
- ✓ Your marked scripts will be given back to you on the scheduled EQP date with comment/feedback from markers.
- ✓ A full debrief of the solution to each of the mock examination questions will be provided on the EQP day.
- ✓ Some additional short questions may be incorporated into the EQP course with instant marking by your tutor and immediate performance feedback.

**NB** – On the your timetable there will be a number of dates (3 days) set where you can come to BPP and attempt the exam. There will not be any specific date for a specific subject. You can choose one of the dates and just pick up the exam for the subject you are sitting at Reception.

**For CIMA Certificate and ACCA Fundamentals level subjects, the course will involve:**

- ✓ Completion on the EQP day of two short MCQ examination standard mock examinations
- ✓ Instant marking/feedback on the EQP day by your tutor
- ✓ Debrief of all solutions by your tutor

**To book onto an EQP** simply complete the ACCA/CIMA enrolment form, pay the relevant €100 fee and... Benefit from this intensive exam practice!
