Introduction

This framework details the structures and regulations in place to assure the quality of academic provision within BPP University College of Professional Studies Limited (“BPP University College”).

These quality assurance and enhancement structures and regulations have taken into account the national academic infrastructure for higher education, particularly the *UK Quality Code for Higher Education* by the Quality Assurance Agency for Higher Education (QAA) and the *Standards and Guidelines for Quality Assurance in the European Higher Education Area*.

Chapter 1 of this framework provides a diagram, membership and terms of reference of the major committees concerned with regulating the quality of the academic provision of BPP University College.

Chapter 2 of this framework provides the General Academic Regulations which regulate the awards, programmes of study, assessment and examinations of BPP University College.

It should be stressed that this document is the primary regulatory instrument within a hierarchy of instruments within BPP University College. It is supported by a range of sub-regulatory instruments (rules, policies, and procedures) presented in stand-alone documents which provide more detailed information in relation to the implementation and enforcement of these Regulations.

The regulatory framework includes:

1. the General Academic Regulations (these Regulations)
2. the Manual of Policies and Procedures
3. the College Handbook
4. the Programme Handbooks
5. Repository of Forms and Guidance

Chapter 1: Academic Governance Structures

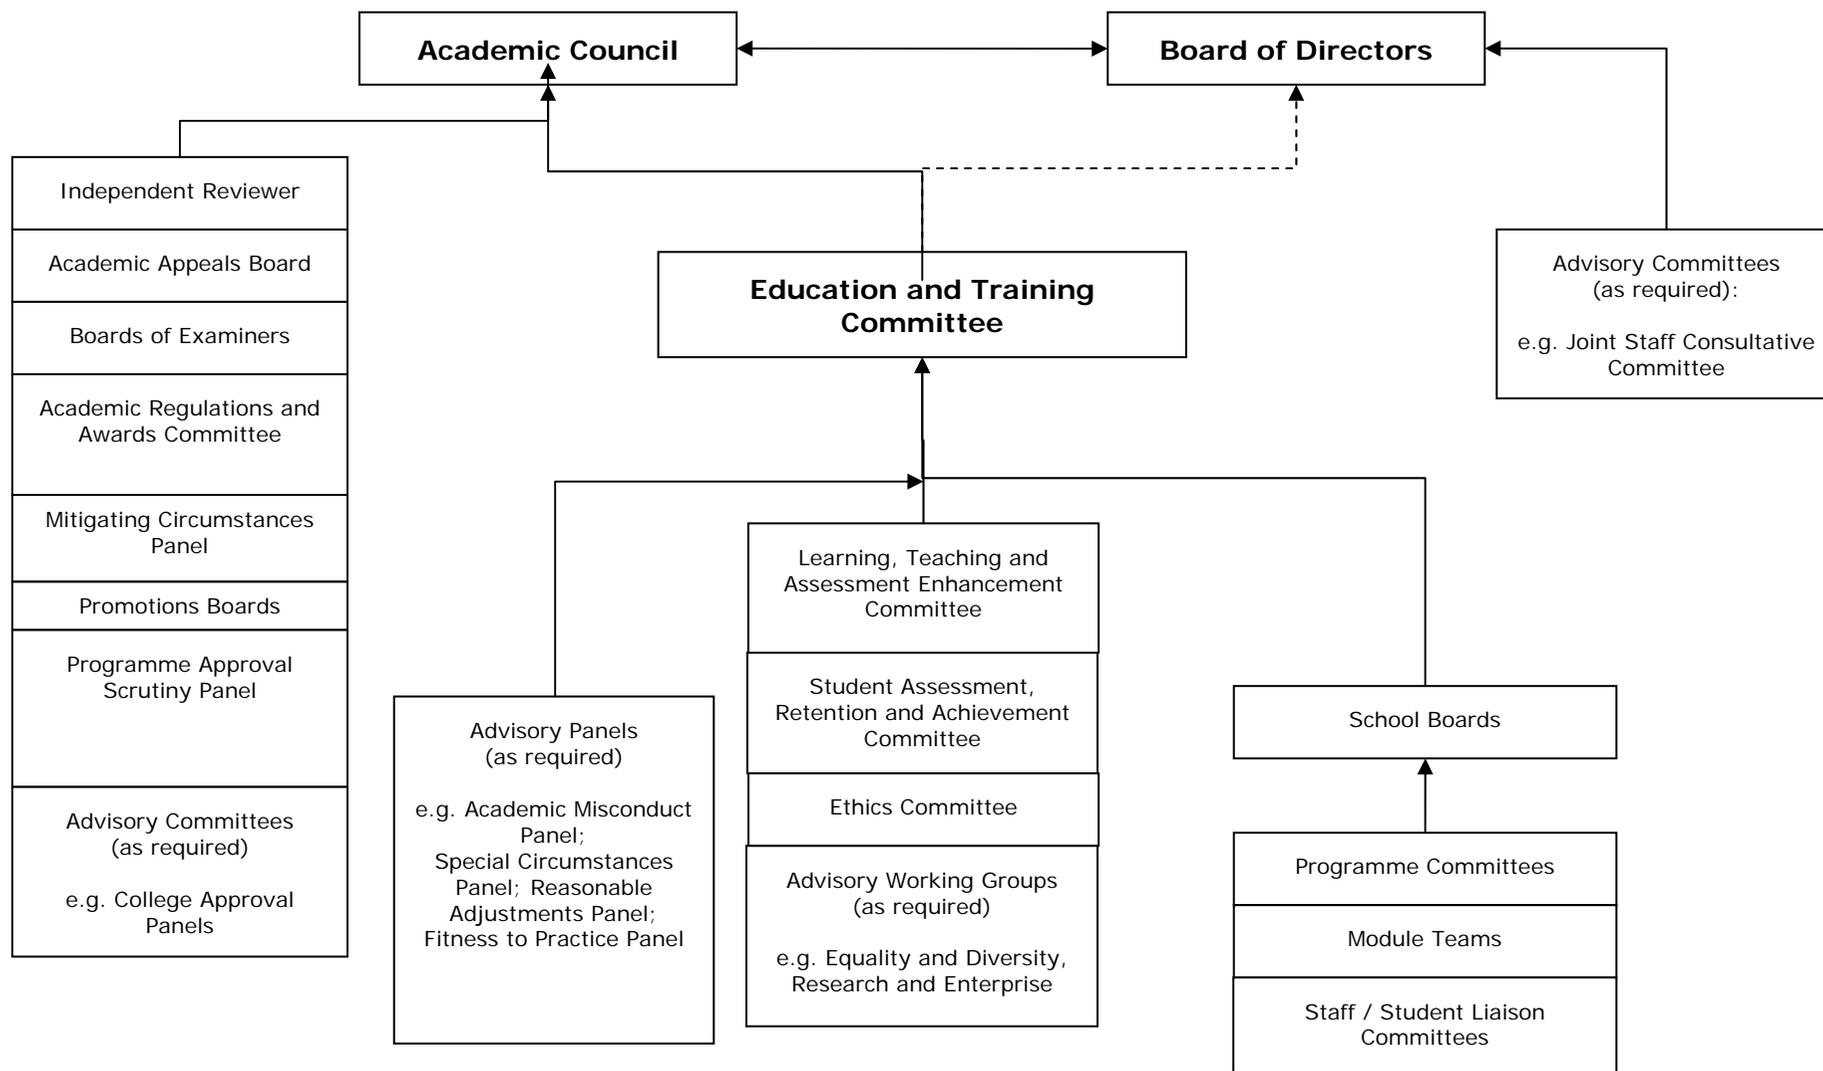

This section sets out the membership and terms of reference of the key bodies within the committee structure of BPP University College.

Three separate bodies share responsibility for the character, organisation and function of BPP University College: the Board of Directors, the Academic Council and the Academic Directorate.

1. The Board of Directors is legally responsible for determining the educational character and mission of BPP University College and for overseeing its activities.
2. The Academic Council is the primary academic authority within BPP University College. In particular it considers and advises the Principal on matters relating to awarding taught degrees. To help it carry out its duties, the Council delegates responsibility for some matters relating to quality management to its committees, as well as to School Boards, Boards of Examiners and Programme Committees.
3. The Academic Directorate, under the leadership of the Principal, is BPP University College's senior management team with responsibility for organising, directing and managing the academic and academic-related functions of BPP University College. The Directorate includes the Principal, the Deputy Principal, the Deans of School, the Dean of Academic Affairs, and the Dean of Learning and Teaching.

The way in which these three strands operate and interact with each other is fundamental to maintaining and improving quality and standards within BPP University College.

Academic Council

The Board of Directors of BPP University College established an Academic Council in 2005 and will maintain that Academic Council on the terms set out in these Regulations.

These Regulations are taken from those approved by resolution of the Board of Directors on 12 November 2007.

Membership

There shall be an Academic Council of no more than twenty (20) members. The Council members shall comprise:

Independent Members

Independent Chair of Council

Five Independent Council Members appointed by Council, at least two of whom should have substantial experience in the provision and management of higher education in the United Kingdom.

Ex Officio Members

Principal of BPP University College

Dean of the Business School

Dean of the Law School

Dean of the School of Health

Dean of Academic Affairs

Dean of Learning and Teaching

Elected Members

Two student representatives elected by registered students of BPP University College

Two academic staff representatives elected by the employed staff of BPP University College

Co-opted Members

In addition, up to six further members co-opted by the Board of Directors on the recommendation of the Academic Council and with voting powers recommended by the Independent Council Members.

The Independent Council Members shall be in addition to the Independent Chair of Council. The Independent Chair of Council may nominate a Deputy Chair from among the Independent Council Members to take the Chair, in his or her absence.

Quorum: Half the Council Members of whom no fewer than two shall be Independent Members including the Chair.

Secretary: A Council Secretary, appointed by the Principal, will minute the meetings on behalf of the Council but will not take part in the voting of the Council. The Council Secretary is the Director of Quality and Academic Policy.

Frequency: The Academic Council shall normally meet at least four times in each academic year.

Terms of Reference

The student representatives on the Academic Council shall not be entitled to receive papers, participate in or be present for discussions relating to the admission or academic assessment and examination of individual students or affecting the appointment, promotion or personal affairs of a member of staff of BPP University College. The Independent Chair of the Council shall decide whether a matter falls within the terms of the above proviso. The decision shall be final and neither the Independent Chair of Academic Council nor Council is bound to give any reason for the decision.

1. The Academic Council shall be the academic authority of BPP University College and shall take such measures and act in such a manner as shall best promote the academic and professional work of BPP University College and safeguard the integrity and standards of its awards, including:
 - (a) acting in its discretion to give approval to a proposal by the Board of Directors of BPP University College to make an appointment to the office of Principal;
 - (b) acting in its discretion to give approval to a proposal by the Board of Directors of BPP University College to reappoint an acting Principal for a defined period of no more than six months, and, where proposed by the Board, further reappointments with the Academic Council's approval for defined periods of no more than six months;
 - (c) where the Academic Council deems this to be necessary, reaching a determination that in its considered judgment the Academic Council has lost confidence in the holder of the office of Principal, any such determination to be reported by the Council to the Board of Directors of the College.
2. When consulted by the Board of Directors or, by delegation from the Board of Directors by the Principal, the Academic Council shall advise the Board of Directors of BPP University College generally on matters of an academic and professional educational character. In so doing its advice shall be informed by recognised and accepted academic and professional standards both of relevant professional bodies and of UK higher education.
3. The Academic Council shall give advice or make recommendations to the Board on the following in relation to BPP University College:
 - (a) the educational character and objectives of BPP University College;
 - (b) the academic development plan of BPP University College;
 - (c) the introduction and closure of programmes;
 - (d) strategy for risk and change management;
 - (e) establishment and closure of centres;

- (f) collaborative provision;
 - (g) agreements with other validating, accrediting or awarding bodies;
 - (h) awards, titles, and conferment of awards;
 - (i) procedures for the suspension and expulsion of students on academic grounds;
 - (j) an institution-wide critical review and report for the purpose of seeking a renewal of degree awarding powers; and
 - (k) to establish policy and to approve regulations as appropriate governing the admission of students.
 - (l) (l) to ensure that BPP University College fosters an ethos of inclusive practice and operates in accordance with the Equality Act 2010 and that all aspects of provision are available to individuals with protected characteristics where it is reasonable to do so.
4. The Academic Council shall have the following additional powers and functions in relation to BPP University College:
- (a) to establish policy, approve regulations and determine quality assurance and enhancement procedures, as appropriate, governing the content and teaching of higher education programmes of study, including:
 - (i) programme design,
 - (ii) mode of study,
 - (iii) evaluation and approval,
 - (iv) amendment,
 - (v) annual monitoring,
 - (vi) periodic review, and
 - (vii) closure of programmes of study.
 - (b) to establish policy, approve regulations and determine quality management procedures, as appropriate, for the design and conduct of assessment at a standard appropriate to the award or award element, including:
 - (i) composition, duties and procedures of assessment/examining boards,
 - (ii) the appointment and duties of internal and external examiners,
 - (iii) the submission and marking of summative assignments,
 - (iv) aggregation of marks,

- (v) progression,
 - (vi) final awards and classification,
 - (vii) suspected cheating,
 - (viii) plagiarism and other irregularities,
- (c) to establish procedures for the award and conferment of qualifications and honorary academic titles;
- (d) to establish regulations and procedures governing student academic appeals and complaints;
- (e) to maintain oversight over operational practice in the implementation of academic policy, academic regulations and quality management procedures, and to report with recommendations, as appropriate to the Board of Directors of BPP University College, including by reviewing annual reports on:
- (i) an annual overview report of quality and standards, drawing upon the range of quality instruments and mechanisms employed by BPP University College, from which a judgement shall be drawn as to the confidence BPP University College may have in the academic standards of its awards, and identifying areas for attention; and,
 - (ii) an annual report on the character of the academic community of BPP University College judged against the criteria stated for institutions granted degree awarding powers and plans for staff development and enhancement; and,
 - (iii) a summary report of the scholarship and pedagogic effectiveness of staff; and,
 - (iv) a summary report on the outcomes and action plans from annual programme monitoring;
 - (v) a summary report on the findings and action plans from external examiners; and,
 - (vi) a summary report on student recruitment, admissions and induction; and,
 - (vii) a summary report on the operation and monitoring of student services; and,
 - (viii) a summary report on applications for verification, concessions, appeals and independent review;
- (f) by exercising a discretionary power to institute of its own volition an academic audit of centres, schools or programmes, or to conduct an academic audit of any issue(s) that raise institution-wide interest/concern, involve institution-wide policies, or matters arising out

of the Codes of Practice of the Quality Assurance Agency for Higher Education in the United Kingdom. Where an audit has been conducted the Academic Council shall report its findings to the Board of Directors and shall advise on any appropriate action.

- (g) to establish committees of the Academic Council on such terms as the Academic Council shall see fit.

Relationship with the Board of Directors

5. The Board of Directors, or by delegation from the Board of Directors the Principal, shall in their discretion, consult the Academic Council on matters of an academic and professional educational character, and specifically shall consult on those matters where the Academic Council by these Regulations has a stated responsibility for giving advice.
6. The Board of Directors, or by delegation from the Board of Directors the Principal, shall seek the prior approval of the Academic Council where, under these Regulations, the Academic Council is required to give its approval.
7. The Board of Directors, or by delegation from the Board of Directors the Principal, shall provide such assistance to the Academic Council as is required for the Academic Council to carry out its responsibilities for exercising a broad oversight over academic operations including the implementation of academic policies, academic regulations and academic procedures, and the Board of Directors shall take due account of reports from the Academic Council on its findings and consequential recommendations.

Voting and Recommendations

8. It is expected that decisions of the Academic Council will be reached by consensus and after due debate but if a vote is required then decisions shall be made on the basis of a majority of those attending and voting at a quorate meeting, provided also that the majority includes a majority of the Independent Members present and voting. In the event of an equality of votes being cast, the Chair of the meeting shall have a second or casting vote.

Secretary: An ET Committee Secretary, appointed by the Chair, will minute the meetings but will not take part in the voting of the Committee.

Frequency: The ET Committee shall normally meet at least four times in each year.

Terms of Reference

1. The ET Committee shall assist and support the Academic Council in the exercise of the Academic Council's responsibilities as the academic authority of BPP University College and shall provide advice to the Principal, if that advice is sought.
2. The ET Committee's overriding functions shall be to:
 - (a) safeguard the standards of academic awards and of professional qualifications, and,
 - (b) ensure that each programme of study is delivered in a manner that provides, in practice, a learning opportunity and resources which gives students a fair and reasonable chance of achieving the academic standards required for successful completion;

- (c) ensure that BPP University College fosters an ethos of inclusive practice and operates in accordance with the Equality Act 2010 and that all aspects of provision are available to individuals with protected characteristics where it is reasonable to do so.
 - (d)
3. In carrying out the functions described above the ET Committee shall monitor and review operational practice in the implementation of academic policy, academic regulations and quality management procedures.
4. Consistent with the findings of monitoring and review the ET Committee shall make regular reports to the Academic Council, including recommendations on action plans to enhance academic standards and desirable revisions of, or enhancements to, academic policy, academic regulations and quality management procedures.
5. To assist it in its provision of advice to the Academic Council, the ET Committee shall receive:
- (a) from the Dean of Academic Affairs an annual overview report, and other reports as necessary, on
 - (i) the effectiveness of the internal quality assurance processes;
 - (ii) developments external to BPP University College which have implications for the assurance of academic quality and standards, including developments in the QAA's Code of Practice and in the requirements of relevant professional bodies; and,
 - (iii) where the ET Committee deems this appropriate, recommend action plans for the consideration of the Academic Council;
 - (b) from the Head of Student Services and the Senior Academics for each site, reports on the provision of resources and their appropriateness in supporting the student learning experience; and,

 - (d) from the Chair of the Student Assessment, Achievement and Retention Committee, reports on student progression, retention and achievement, and on enhancement initiatives in response to identified areas for improvement.
6. In fulfilling the duties set out above the ET Committee shall:
- (a) carry out such other functions as are set out for the ET Committee in the operational processes for the assurance of academic quality and standards that the Academic Council or the Board of Directors may from time to time determine;

- (b) provide a forum for office holders for the presentation and debate of ideas, initiatives and plans for the development of academic and professional courses, and other matters that fall within the ET Committee's remit relevant to BPP University College's mission statement and academic development plan;
- (c) advise the Academic Council on those standing and specific matters that the Academic Council refers to the ET Committee for its advice. The Secretary to the Academic Council shall maintain a list of those items identified as standing items;
- (d) undertake such other functions as the Academic Council may from time to time delegate to the ET Committee.

Authority

- 7. The ET Committee is responsible to and reports to the Academic Council and the Board of Directors.
- 8. The ET Committee has the power to form ad hoc sub-committees and working groups. The ET Committee and those sub-committees may invite other persons to attend from time to time as appropriate to contribute to the issues under consideration by the ET Committee.

Voting and Recommendations

- 9. It is expected that decisions of the ET Committee will normally be reached by consensus and after due debate but if a vote is required then decisions shall be made on the basis of a majority of those attending and voting at a quorate meeting. In the event of an equality of votes being cast, the Chair shall have a casting vote.

Frequency: School Boards shall meet at least once every 15 weeks and additionally as decided by the Dean.

Terms of Reference

1. The primary purpose of the School Boards shall be to assist the ET Committee to:
 - (a) safeguard the standards of academic awards, professional qualifications and other educational provision prescribed for the relevant School;
 - (b) ensure that each programme of study is delivered in a manner that provides, in practice, a learning opportunity and resources which give students a fair and reasonable chance of achieving the academic standards required for successful completion.
2. In fulfilling this purpose the School Boards shall be responsible for the following specific functions:
 - (a) To submit to the ET Committee an annual programme development plan for the school, to include proposals for new programmes, modules and courses, and, where relevant, associated awards, major modifications to programmes, and, where appropriate, the withdrawal of programmes and modules.

- (b) By reference to the annual programme development plan to recommend additions or variations whenever appropriate and to identify priorities in the enhancement of provision in the School.
 - (c) To review existing provision each year on the basis of the annual programme monitoring reports, external examiners' reports and other relevant material and to make recommendations to the Education and Training Committee arising from them.
3. More generally, the School Boards shall:
- (a) take such other action as is needed to promote academic quality and standards within the School;
 - (b) offer advice on matters as invited by the Dean;
 - (c) discharge such other functions as the Academic Council or the Education and Training Committee may, from time to time, determine;
 - (d) Ensure that the needs of students with protected characteristics in the Equality Act 2010 are fully considered in all decision making processes.

Authority

- 4. The School Boards are responsible to and report to the Education and Training Committee.
- 5. The School Boards have the power to form ad hoc sub-committees and working groups. Those sub-committees and working groups may invite other persons to attend from time to time as appropriate to contribute to the issues under consideration by them.

Voting and Recommendations

- 6. It is expected that decisions of the School Boards will normally be reached by consensus and after due debate but if a vote is required then decisions shall be made on the basis of a majority of those attending and voting at a quorate meeting. In the event of an equality of votes being cast, the Chair shall have a casting vote.

Board of Examiners

There shall be Boards of Examiners (“Boards of Examiners”)

Membership

Appointed Members (Voting)

Chair, independent of the programme, appointed annually from a previously approved pool of examination board chairs by the Academic Council. The pool shall be reviewed annually and refreshed as necessary

Ex Officio Members (Voting)

The Dean(s) of School(s) responsible for the programme

The Internal Examiners: are normally full or part-time members of the staff of BPP University College with responsibility for the assessment or examination of modules (for example as module leaders).

The External Examiners: appointed to modules of programme, whose role, authority, duties and rights shall be defined in the regulations on external examiners made by the Academic Council.

Ex Officio Members (Non-Voting)

The Dean of any School which contributes to a programme, or nominee,

The Director of Programmes

Dean of Academic Affairs, or nominee,

Attending Members (Non-Voting)

Any other person approved by the Chair of Board of Examiners

Appointed members shall be reviewed after each three year period. There shall be no maximum term to the appointment.

Quorum: Four voting members which must include the Chair, one internal member and two external members.

Secretary: A Secretary nominated by the Dean of Academic Affairs will minute the meetings but will not take part in the voting of the Board of Examiners.

Frequency: Boards of Examiners shall meet at least twice each calendar year and additionally as decided by the Dean of School.

Terms of Reference

1. To scrutinise and, if satisfied, endorse recommendations made to it in respect of students' fulfilment of assessment requirements by the internal and external examiners, and to pass the recommendations to the Academic Council and to such validating or accrediting bodies as are appropriate.

2. To monitor the conduct of assessment procedures and the academic standards of the programmes.

Authority

3. The Board of Examiners are responsible to and report to the Academic Council.

Voting and Recommendations

4. It is expected that decisions of the Boards of Examiners will normally be reached by consensus and after due debate but if a vote is required then decisions shall be made on the basis of a majority of those attending and voting at a quorate meeting. In the event of an equality of votes being cast, the Chair shall have a casting vote.

Academic Appeals Board

There shall be an Academic Appeals Board (“Academic Appeals Board”) of no fewer than six members. The Academic Appeals Board shall comprise:

Membership

Appointed Members

One appointed external member and five senior members of academic staff who are unlikely to have had previous contact with the case during the verification or investigation processes. The Academic Appeals Board shall be chaired by a Dean of School or nominee.

Quorum: Three Members drawn from the appointed members who have not been involved in the matter before the Academic Appeals Board.

Secretary: A Secretary nominated by the Dean of Academic Affairs, or nominee will minute the meetings but will not take part in the voting of the board.

Frequency: The Academic Appeals Board shall meet at least termly and additionally as required.

Terms of Reference

The purpose of the Academic Appeals Board shall be to:

1. To hear and determine all applications, and appeals from students, coming before it as expeditiously as is reasonably possible, having regard to the circumstances of each case and the requirements of natural justice and fairness.
2. To consider all applications to extend the period within which an appeal may be heard, where under any regulation or procedure an appeal is required to be made to the Academic Appeals Board within a specified period.
3. To consider all applications for the Academic Appeals Board to intervene in or alter the workings, or procedures of, a lower committee or panel, where it is felt that those workings or procedures contravene the principles of natural justice, reasonableness or fairness, when applied to the specific case referred to in the application.

Authority

4. The Academic Appeals Board is responsible to and reports to the Academic Council.

Voting and Decisions

5. It is expected that decisions of the Academic Appeals Board will normally be reached by consensus and after due debate but if a vote is required then decisions shall be made on the basis of a majority of those attending and voting at a quorate meeting. In the event of an equality of votes being cast, the Chair shall have a casting vote.

6. Decisions of the Academic Appeals Board in all cases, except those determined by a Board of Examiners, shall override all other decisions made by lower bodies and be introduced with immediate effect. In the case of a decision determined by a Board of Examiners the Board of Examiners shall be invited to review its decision in the light of the recommendation of the Academic Appeals Board and to report back to the Academic Appeals Board.

Mitigating Circumstances Panel

There shall be a Mitigating Circumstances Panel of as many members as the Education and Training Committee deem necessary to deal effectively with the business of the committee.

Membership

A Dean of School or Deputy Dean or Associate Dean (or nominee), Chair

Dean of Academic Affairs, or a Deputy Registrar

At least two senior members of academic staff¹

An External Member drawn from the appointed external examiners

A student representative from the pool of elected Committee student representatives

Quorum: Half the members of whom at least one should be external to BPP University College.

Frequency: The Mitigating Circumstances Panel shall meet at least three times in each year.

Secretary: The Dean of Academic Affairs shall appoint a Secretary who will minute the meetings.

Terms of Reference

1. To review all "open" claims for mitigating circumstances submitted by students and to consider whether they are admissible in terms of timeliness of submission, whether they meet the published definition and whether there is appropriate evidence to support the claim made.
2. To consider whether the mitigating circumstances claimed are of such a nature that they may have affected the student's performance in the module(s) identified.
3. To determine whether the mitigating circumstances should be accepted or rejected and to agree an appropriate summary to be presented to the Board.
4. To receive any mitigating circumstances submitted in a sealed envelope and confirm their submission by the due date and the module(s) to which they relate.

¹ Senior members of academic staff are deans, deputy deans, directors of programmes, members of the professoriate, senior academics (i.e. appointed academic managers of BPP University College's regional centres).

5. To maintain a record of all claims for mitigating circumstances reviewed and submit a summary report to the Dean of Academic Affairs annually.

Confidentiality of Mitigating Circumstances

6. The Panel will administer all claims of mitigating circumstances submitted by students in a confidential manner. All copies of paper before the committee shall be collected after the meeting and only a central copy retained by Academic Registry for administration purposes.
7. Notification of Mitigating Circumstances forms and supporting evidence will be provided to and discussed by the Mitigating Circumstances Panel in confidence. No Panel member shall discuss any detail or anonymous information with anybody outside of the Panel.
8. All Panel members should take appropriate and necessary steps to safeguard student confidentiality and should not distribute materials by electronic means for this reason.

Authority

9. The Mitigating Circumstances Panel is responsible to and reports to the Academic Council.
10. The Mitigating Circumstances Panel may recommend to the Academic Council that the Education and Training Committee form ad hoc sub-committees or working groups, to advise on issues particular to the deliberations of the Panel.

Voting and Recommendations

11. The Panel shall vote on any matters before it upon which agreement cannot be reached. A record of voting shall be kept. In the event of an equality of votes being cast, the Chair shall have a casting vote.

Academic Regulations and Awards Committee

Terms of Reference and Composition

There shall be an Academic Regulations and Awards Committee of the Academic Council of no more than 10 (ten) members.

Membership

Ex Officio Members

Independent Chair of the Academic Council (Chair)
Deputy Principal (Vice-Chair)
Independent Member of the Academic Council
Dean of Academic Affairs
Director of Quality and Academic Policy
The Dean of each School
The Chief Executive for Students

Quorum

Half the members of whom at least one shall be an independent member of the Academic Council.

Secretary

The Committee will be supported by a Secretary appointed by the Dean of Academic Affairs.

Frequency

The Committee shall meet termly.

Terms of Reference

1. The Academic Regulations and Awards Committee (the ARA Committee) shall assist and support the Academic Council in reviewing and enhancing the General Academic Regulations and sub-regulatory instruments, and in scrutinising the conferment of awards. The ARA Committee's overarching aims are to review the regulatory framework of BPP University College (BPP University College) and to safeguard the academic awards conferred in its name.
2. The Committee will have specific responsibility in two distinct areas:
 - (1) Reviewing the General Academic Regulations of BPP University College and proposing amendments and/ or additions to existing academic policy, regulations and procedures;
 - (2) Reviewing recommendations from Boards of Examiners for the conferment of College awards and monitoring issues arising.

3. With regard to reviewing the regulatory framework of BPP University College, the Academic Regulations and Awards Committee shall:
 - (1) Scrutinise the academic regulations of BPP University College and propose amendments where:
 - new national, international, professional body or College developments require changes to the existing regulations;
 - in the view of the ARA Committee, College regulations could benefit from further refinement and/ or clarification;
 - quality assurance review processes highlight areas for academic policy enhancement. Such recommendations could arise from the annual review of the General Academic Regulations and Manual of Policies and Procedures, the Annual Quality Review, the Annual Programme Monitoring Reporting, External Examiner reporting, Institutional Review, professional body audits;
 - the Academic Council instructs the Committee to review a policy or procedure and to recommend amendments;
 - a College Committee, a member of BPP University College's staff or a student of BPP University College raise(s) a regulatory issue which the ARA Committee undertakes to review.
 - (2) Where necessary, propose the development of new academic policy, regulations and processes for BPP University College;

Frequency: The SSLC shall hold meetings at least once per term.

Terms of reference

Aim

1. The aim of the SSLC is to provide a regular forum for communication between programme management and students regarding the student experience including the quality of programme delivery, student support and facilities. The forum will also be used to discuss and gather student input on current and emerging initiatives and to make proposals for development.

Objectives

2. The SSLC shall seek to liaise with students to:
 - (a) discuss any matters of interest or concern that fall within the Programme Management's responsibility and to make proposals for their resolution or development;
 - (b) report any matters that fall outside the Programme Management's powers to the Director of Programmes or School Board with recommendations for action;
 - (c) report back to the student body and relevant staff, as appropriate, on the actions taken and issues raised;
 - (d) to note and report to the Programme Board:
 - i) the strengths of the student experience that are considered best practice or otherwise important to safeguard;
 - ii) the matters raised and the actions taken or proposed at each SSLC meeting
 - iii) recommendations for development.

³ The staff composition for the SSLC will vary according to the size of the programme and in some cases the role of the SSLC Coordinator will be part of the duties of the Programme Leader or deputy Programme Leader.

Functioning

3. The minutes of the meeting will specify attendees and shall take the form of a tabulated action plan containing information on the issue raised, the response, the person tasked to take action and the timescale for doing so. The minutes shall be sent to the Programme Board and to the School Board.

In the event of an equality of votes being cast, the Chair shall have a casting vote.

Chapter 2: General Academic Regulations

The Academic Council is responsible for BPP University College's academic regulatory framework and within it the assurance of quality and standards of all academic provision.

The General Academic Regulations, and the procedures and principles that underlie them, are intended to ensure that:

1. the aims set out in the mission statement are pursued effectively;
2. there can be public confidence in the quality of BPP University College's programmes and scholarship, and in the standards of its academic awards and other distinctions;
3. students and staff have a rigorous and robust framework for the management of programmes leading to academic awards.

The framework has been designed to combine enough flexibility to encourage responsiveness to the changing needs of society with the necessary safeguards for the management of BPP University College as an academic community.

BPP University College's Regulations, therefore, provide a framework for the operation of all modules and programmes of study, including non-award courses. Specific programme regulations, including those covering the admission, progression and assessment of students, are subject to BPP University College's Regulations.

Part A

Preliminary

Introduction

1. These academic regulations were originally approved by the Academic Council on 12 July 2007. They may be cited as the General Academic Regulations. The Academic Council, and only the Academic Council, is vested with the power to vary these Regulations from time to time, as required to discharge effectively its responsibilities.
2. All students and staff of BPP University College of Professional Studies Ltd. ("BPP University College") are subject to the requirements of these Regulations and their associated sub-regulatory instruments.
3. Detailed rules, policies, and procedures supporting the General Academic Regulations may be set out in associated sub-regulatory instruments. Approved sub-regulatory instruments are listed in Schedule A to these Regulations.

Interpretation

4. The power to interpret these Regulations, and all sub-regulatory instruments, is vested in the Academic Council. The Council's decision shall be final and the Council shall not be bound to give reasons for its decision.
5. For the purpose of interpretation, the definitions given in Schedule F shall apply in respect of these Regulations and any associated sub-regulatory instruments.

Conflict

6. In the event of conflict between the regulations of an external body (for example the Bar Standards Board) and the General Academic Regulations, or sub-regulatory instrument, the General Academic Regulations and sub-regulatory instruments shall take precedence unless the Academic Council has authorised a derogation.
7. Regulations for individual programmes of study may be cited as "Programme Regulations" and distinguished by the name of the programme (e.g. BA (Hons) Accounting Programme Regulations). In the event of a conflict between these General Academic Regulations or their sub-regulatory instruments and programme regulations the General Academic Regulations and sub-regulatory instruments shall take precedence unless the Academic Council has authorised a derogation.

Delegation

8. The Academic Council may delegate authority under these Regulations to a person or academic body of BPP University College. Where the Academic Council has formally delegated its authority under this regulation, the delegations shall be recorded in Schedule E of these Regulations.

Suspension of Regulations

9. The Academic Council may choose, at its discretion, to suspend, intervene in or alter the workings of any regulation or sub-regulatory instrument, where it feels that in a specific case the application of the regulation, in either effect or process, contravenes the principles of natural justice, reasonableness or fairness. The Council is not bound to act under this regulation and the Council's decision whether or how to act under this regulation shall be final and it shall not be bound to give reasons for its decision.

Part B

Section 1: Awards

Introduction

1. BPP University College may make awards as approved by the Academic Council. Awards must be consistent with the terms of any grant to BPP University College of degree awarding powers.
2. Awards may only be made at levels consistent, and fully in accordance, with those set out in the Framework for Higher Education Qualifications ("the Framework"), as currently applying in England. Awards must be designated at Level 7 (Masters), Level 6 (Honours), Level 5 (Intermediate), or Level 4 (Certificate).
3. Awards designated at one level of the Framework may include stages at the previous levels of the framework to facilitate academic and intellectual progression. For example, a Level 6 (Honours) award may include two prior stages at Levels 4 and 5 respectively. Similarly, the level of a programme or part of a programme may be designated at Level 3 where the purpose of that programme or part of a programme is to facilitate students to progress to studying a programme at Level 4.
4. Awards approved by the Academic Council to be made by BPP University College, and by BPP University College under agreement with an external awarding authority, must be listed in Schedule C of these Regulations.

Award Titles

5. Awards instituted by BPP University College must carry titles approved by the Academic Council and titles may only be changed with the approval of the Academic Council.
6. Titles of BPP University College awards must state the field of study and may additionally state, consistently with any rules approved by the Academic Council, the scope of the programme of study leading to the award.
7. Awards instituted by BPP University College which include the designation Graduate Certificate or Graduate Diploma must be restricted to programmes of study requiring graduate entry, or its equivalent, and the learning outcomes of which at least match relevant parts of the descriptor at Level 6 (Honours) in the Framework.
8. Awards instituted by BPP University College which include the designation Postgraduate Certificate or Postgraduate Diploma must be restricted to programmes of study requiring graduate entry, or its equivalent, and the learning outcomes of which at least match relevant parts of the descriptor at Level 7 (Masters) in the Framework.

Honorary Awards

9. BPP University College may make honorary awards as approved by the Academic Council. Awards must be consistent with the terms of any grant to BPP University College of degree awarding powers. The titles of honorary

awards that may be conferred must be listed in Schedule B to these Regulations.

10. The criteria for the award of an honorary degree are that:
 - (a) candidates for the conferment of an Honorary Doctorate should normally have made a major contribution at national and/or international level in their field.
 - (b) Candidates for the conferment of an Honorary Masters should normally have made a major contribution at regional or local level.
 - (c) The cases submitted should demonstrate candidates' achievement in one or more of the following fields:
 - (i) notable services to BPP University College;
 - (ii) notable contributions to the educational or cultural well-being of society;
 - (iii) academic distinction in and/or services to academic disciplines of particular concern to BPP University College;
 - (iv) public service of notable distinction.
11. BPP University College may not award honorary degrees to a currently employed member of BPP University College's academic or professional staff, or members of its regulatory committees (either employed or otherwise).

Aegrotat Awards

12. Aegrotat awards may be recommended only for the following qualifications:
 - (a) Certificate of Higher Education;
 - (b) Diploma of Higher Education;
 - (c) Ordinary degree;
 - (d) Honours degree;
 - (e) Masters degree
13. Aegrotat awards will not be awarded with a classification.
14. An Aegrotat award may be recommended when the Examination Board does not have sufficient evidence of the student's performance to recommend the award for which the student was a candidate, but is satisfied that but for the illness or other valid cause the student would have reached the standard required.
15. The Examination Board must offer a student the opportunity either to accept the Aegrotat award or re-sit as if for the first time the assessment modules for which there is insufficient evidence of performance on which a judgement could be made.
16. If the student fails these assessments, then he/she may not claim the Aegrotat award.

Posthumous Awards

17. The Academic Council may at its discretion posthumously award any of the awards conferred by BPP University College.
18. The award may be accepted on the student's behalf by a parent, spouse or other appropriate individual.
19. The award certificate will not refer to its having been conferred posthumously.

External and Non-Award Programmes

20. BPP University College may, as approved by the Academic Council, and subject to appropriate agreement, offer programmes leading to the qualifications of other awarding authorities, with titles as determined by those authorities. Approved programmes may be recognised by more than one awarding body for the award of credit or qualifications. Ultimate responsibility for the standards of such awards remains with the relevant awarding authority. BPP University College will be responsible for meeting the standards prescribed by the awarding authority. BPP University College is responsible for the quality of the learning experience of the students it registers on these award programmes.
21. BPP University College may, as approved by the Academic Council, offer non-award courses of thirty credit points or less which do not in themselves lead to an award, but which may count for credit towards an award.

Section 2: : Conferment of Awards**Awards available at BPP University College**

1. Where appropriate authority is vested in BPP University College awards may be conferred on students who have completed approved studies leading to the stated awards. Schedule B to these Regulations shall specify the authority vested in BPP University College and the awards approved under the authority which may be conferred.
2. Where a student fails at a higher level or stage of a programme of study, he or she may be conferred with an interim exit award. An interim award should only be conferred if the student has demonstrated the achievement of the specified learning outcomes for that award.
3. Where BPP University College has a delegated power to confer awards on behalf of an awarding body, each authority making the delegation, and the awards approved to be conferred under that authority, shall be specified in Schedule C.

Conditions of awards

4. An award of BPP University College or an award under delegated authority may be conferred when the following conditions are met:
 - (a) the candidate is a registered student of BPP University College or was registered at the time of assessment for an award;
 - (b) the candidate has paid all appropriate fees and is not in debt to BPP University College;
 - (c) confirmation is provided by the Dean of Academic Affairs, or nominee, that the candidate has completed an approved programme of studies leading to an award;
 - (d) confirmation is provided by the Dean of the School that the candidate is fit to practise;
 - (e) an award has been recommended by the appropriate board of examiners in accordance with the regulations and the result of the award has been approved by the Academic Council;
 - (f) the recommendation of the award has been signed by the chair of the relevant board of examiners and by the external examiners;
 - (g) in respect of awards conferred under delegated authority, such other requirements as may be specified by the awarding body have been met.

Procedure for conferment: certification

5. An award certificate shall record
 - (a) the name of BPP University College;
 - (b) the full name of the student;

- (c) the award;
 - (d) the title of the programme of studies as approved by the Academic Council;
 - (e) the class of award or other indication of performance, as prescribed under regulations;
 - (f) an endorsement where appropriate signifying the mode of study;
 - (g) a designation where appropriate that the award was approved under the regulations for aegrotat awards;
 - (h) the date of conferment;
 - (i) the signature of the Principal of BPP University College.
6. Where an award is conferred under delegated authority, the content of the certificate must contain whatever is specified in an agreement with the awarding body.
7. Any award listed in Schedule B and, subject to agreement with the awarding body, an award in Schedule C may be conferred and an award certificate accepted on the student's behalf by an appropriate person as agreed with the Dean of Academic Affairs, or nominee.

Transcripts

8. A transcript will be issued to all students on completion of an award of BPP University College, including an interim award associated with an approved part of a programme where the full programme has not been successfully completed. The transcript provided will satisfy, as far as reasonably possible, the information requirements of the Joint European-Council of Europe-UNESCO Diploma Supplement.
9. For programmes leading to the awards of other awarding bodies transcripts will also be provided in the same form as for award programmes of BPP University College unless the terms of agreement with the awarding body provide otherwise.

Section 3: Rescinding an Award

1. The Academic Council may rescind an award if:
 - (1) it is established that the relevant, authorised body within the University College made its decision based on misleading or incorrect evidence; or
 - (2) in the case of an honorary award subsequent information or events cast doubt on the appropriateness of the conferment of the award; or,
 - (3) it is established that academic misconduct took place.
2. If a student elects to complete a programme of study at an interim stage and has conferred upon him or her an interim/exit award, but subsequently elects to re-register and continue with that programme of study and is successful in achieving a higher award, the Academic Council shall rescind the lower award.
3. In the case of clause 1(1) above where the award is an approved academic qualification the chair of the board of examiners shall prepare a report for the Academic Council setting out the circumstances under which the decision was made, the nature of any misleading or incorrect evidence, the recommendation of the board and any other issues or remedy that the board considers should be addressed by the Academic Council.
4. In the case of clauses 1(1) and 1(2) above where the award is an honorary award the Dean of Academic Affairs, or nominee, shall prepare a report for the Academic Council setting out the issues which bring into question the appropriateness of the conferment of the award.
5. In the case of clause 1(3) above, the secretary to the Academic Misconduct Panel shall report the circumstances of the case and the determination of the Panel to the Academic Council.
6. In the case of clause 2 above, the Head of Registry Operations shall report to the Academic Council all cases of candidates who have achieved a higher award within a programme in which they had previously had conferred a lower award.
7. In all cases where the Academic Council agree to rescind an award the following actions shall apply:
 - (1) The Dean of Academic Affairs, on behalf of the Principal, shall write to the person concerned informing him or her of the Academic Council's decision and requiring the return of any documentation or artefacts relevant to the award;
 - (2) The University College's record of the award shall be amended to show that it has been rescinded, together with the reasons for doing so;
 - (3) In the case of an award for the completion of an academic programme, where an award has been made for a previous stage in that programme, the student's transcript shall be amended to delete reference to the previous award.
8. There shall be no right of appeal against the decision of the Academic Council.

Part C

Programmes of Study

General Requirements

1. Approved programmes of study leading to an award under GAR/Part B must be delivered at an approved location or through approved online resources. The procedures for approval may vary depending on the type of programme and the nature of the site of delivery. The approval procedures and the types of provision to which they may be applied shall be approved by the Academic Council and set out in the Manual of Policies and Procedures.
2. Approved programmes of study leading to an award under GAR/Part B must have:
 - (a) educational aims appropriate to the academic field or fields; and
 - (b) learning outcomes, - the demonstrated achievement of which determines the conferment of each associated award including interim exit awards.
3. Approved programmes of study leading to an award under GAR/Part B, must conform to the minimum and maximum periods including accreditation of prior learning (APL), as set out in Table 1, within which study and its associated assessments including re-assessments must be completed, except:
 - (a) Foundation years, when taken, shall extend the maximum period of prescribed study by a period of one year, and
 - (b) the Academic Council, or body authorised to act for it, may suspend this regulation should it be warranted by an individual student's case. In suspending the regulation, there will be strong regard paid to the integrity of BPP University College's awards.
4. In all approved programmes of study, the language of instruction and assessment shall be English, except where a module or programme is specifically designed and validated for the purpose of learning an additional language.

Module Requirements

5. Where appropriate, a programme may be broken down into modules. A module will be a coherent and self-contained unit of learning with specified aims and defined learning outcomes.
6. Modules may only be approved at a single level. Some content in the curriculum may form part of two modules at different levels. In the event of modules at different levels having common content the modules must be clearly differentiated by separate learning outcomes and assessment, and must be identified by separate module titles.
7. A module may be taught and assessed within one or more than one term, provided that the module is set at a single level.

Credits, Levels and Stages

8. All programmes of study and modules leading to an award will bear credit; however, modules may have different credit weightings in accordance with their content and duration.
9. Approved programmes of study leading to an award under GAR/Part B, must conform to BPP University College's credit, level and duration scheme, as set out in Table 1. BPP University College's framework will be consistent with the Quality Assurance Agency's published Higher Education Credit Framework for England ("The Credit Guidance") and the Framework for Higher Education Qualifications for England ("the Framework").
10. Credit, expressed as credit points, must be assigned consistently with the following principles:
 - (a) Credit is allocated to a learning activity when stated learning outcomes are achieved.
 - (b) The allocation of credit is independent of the grade assigned to the quality of performance provided the learning outcomes are achieved.
 - (c) Credit can be assigned only on the evidence of assessed learning.
 - (d) The level of the credit reflects the nature of the learning outcomes and their relationship with the Framework and any relevant national subject benchmarks.
 - (e) The number of credit points assigned is related to the volume of assessed study required to achieve the specified learning outcomes.
11. The standard building block at BPP University College is a minimum of 10 credits. Ten credits correspond to a notional 100 hours of study time, which includes contact hours, time spent on assessed work, private study, revision and sitting examinations.
12. Programmes of study must be subdivided into stages wherever a programme has a credit point value of 120 credit points or more.
 - (a) Unless a stage is otherwise specified in a programme's programme regulations, a stage will represent the core and optional modules for which a student registers to a value of 120 credit points.
 - (b) In an undergraduate Bachelor's Degree (Honours) there will be three stages corresponding with Levels 4, 5, & 6 of the Framework.

Undergraduate Combination Degrees

13. A Bachelor's Degree (Honours) may be conferred with single honours, single honours with a major and minor subject combination, or joint honours.
 - (a) In the case of single honours with a major and minor combination the proportion of credits for the major subject may range between two thirds (66%) and three quarters (75%) to a corresponding range of one

third (33%) to a quarter (25%) credits for the minor subject, throughout each stage of the programme.

- (b) In the case of joint honours programmes the credits must be divided evenly between the two subject areas and throughout each stage.

Dissertations and Reports

- 14. Programmes of study may contain a dissertation or report provided that:
 - (a) it is not ascribed a value of more than 60 credits;
 - (b) it is, or is part of, the final 60 credits of the programme;
 - (c) the language of the dissertation or report is English;
 - (d) it has not been submitted for credit towards another award of BPP University College or of another university or institution.

Programme Regulations

- 15. Approved programmes of study leading to an award under GAR/Part B, must contain programme regulations - subordinate to these General Academic Regulations - which state:
 - (a) any specific requirements for admission to the programme further to those provided in these General Academic Regulations;
 - (b) requirements for the successful completion of the programme of study;
 - (c) the subdivision of the programme into stages where appropriate.
- 16. The programme regulations may indicate specific modules which must be passed at each stage along with other regulations for progression or for successfully completing the programme.
- 17. Programme regulations may include restrictions on the sequence in which modules can be studied by:
 - (a) designating a module as a prerequisite for a subsequent module, or
 - (b) designating two modules required to be studied in parallel as co-requisites; or
 - (c) designating prohibited module combinations.

Programme Documentation

- 18. Each programme must have a definitive programme specification. The required coverage of the programme specification will be approved by the Academic Council. The content of the programme specification must be reviewed prior to each cohort intake.
- 19. Each programme must have a programme handbook; the required coverage of the programme handbook will be approved by the Academic Council. The

programme handbook must be reviewed by the Director of Programmes and any alterations approved by the Dean of Academic Affairs prior to each cohort intake. It shall be provided to students when they register at the start of each stage of the programme.

20. Following any changes to a programme handbook, a handbook modifications document shall be prepared and given to all continuing students registered on the relevant programme of study.
21. A student web-site must be maintained providing information both current and historical for each programme and its delivery at each centre of BPP University College. The student intranet will be a source of timely information for students, as well as a portal for programme materials, past exam papers, examiner reports and careers information. The student web-site must be accessible internally and externally.

Part D**Programme Approval**

1. All programmes of study (award, non-award, and externally awarded) must be approved by the Academic Council and Board of Directors prior to their introduction.
2. All programmes of study must undergo a formal process of evaluation prior to the Academic Council taking a decision on approving their introduction.
3. Programmes of study, non-award courses and modules shall be approved for a specified period of up to a maximum of five years, at which point the continued presentation will require re-approval. Where a module is approved for addition to a programme of study, the module approval period shall expire with the programme of study of which it is approved as a part.
4. For the purposes of re-approval and approval period, the date of approval of a programme shall be the date of the resolution by the Academic Council approving its introduction.
5. The Academic Council will authorise sub-regulatory instruments and procedures to govern the preparation, review and approval of new programmes of study and re-approval of existing programmes of study.
6. All programmes must be proposed, designed, documented and considered in accordance with the appropriate procedure.
7. These sub-regulatory instruments (procedures) will include:
 - (a) Approval of programmes with a credit value of more than thirty credit points;
 - (b) Re-approval of programmes with a credit value of more than thirty credit points;
 - (c) Approval of non-award bearing programmes with a credit value of thirty credit points or fewer;
 - (d) Re-approval of non-award bearing programmes with a credit value of thirty credit points or fewer;
 - (e) Approval of individual modules;
 - (f) Approval of minor modifications to programmes and modules;
 - (g) Approval of major modifications to programmes and modules.
8. The above procedures must be conducted in a manner that:
 - (a) ensures that each programme, module and non-award programme proposed is compatible with BPP University College's mission and business plan;

- (b) establishes how the academic and professional standards in each programme, non-award course and component modules have been set;
 - (c) evaluates the appropriateness of these academic and professional standards;
 - (d) establishes whether the designed learning opportunities can be expected to give students a fair and reasonable chance of achieving the academic and professional standards required for successfully completing each programme;
 - (e) ensures that all programmes, in design and assessment methods anticipate the needs of students with disabilities and the diversity of their culture and religious faith.
 - (f) promotes confidence internally and externally in the standards and quality of award and non-award programmes of BPP University College.
 - (g) ensures programme re-approval gives careful regard to the experience of delivering, monitoring, and developing the programme or non-award course during the period of the previous approval, with particular reference as appropriate to:
 - (i) evidence on the academic standards of the programme and the component modules;
 - (ii) whether and how students' learning opportunities have been enhanced in response to feedback from students, external bodies, external examiners, approval panels, and annual monitoring reports;
 - (iii) steps taken to maintain the currency and validity of the programme and component modules; and
 - (iv) action taken to remedy any identified shortcomings.
9. Each procedure, detailed under Paragraph 7, will specify:
- (a) the composition of approval panels;
 - (b) the required documentation for submission to the approval panel;
 - (c) the evidence to be available to the approval panel;
 - (d) the responsibilities of the approval panel;
 - (e) the criteria to apply in evaluating a proposal;
 - (f) the range of recommendations available to the approval panel; and
 - (g) the process by which conditions affecting approval are demonstrated to have been met before the programme is permitted to commence.

10. The Academic Council will reach decisions on the approval of proposed programmes taking into account the recommendations of a properly constituted panel and the Council will advise the Board of Directors of BPP University College of its conclusions.

Suspension or Withdrawal of Approval

11. The Academic Council may decide, and accordingly advise the Board of Directors, that the academic approval of a programme of study, non-award course, or module will be suspended or should be withdrawn where there is evidence that the programme:
- (a) no longer satisfies minimum acceptable academic standards; or,
 - (b) has not been reapproved within the time-limits specified in the approval by the Academic Council;
 - (c) has breached, or is operating outside, the parameters agreed by the Academic Council for delivery of the programme, non-award course or module, to the extent of significantly harming BPP University College's reputation or the student experience.
 - (d) has ceased to provide students with a fair and reasonable chance of achieving the standard required for successfully completing the programme.
12. The Academic Council shall authorise sub-regulatory instruments and procedures to govern the suspension, withdrawal and closure of programmes of study, non-award courses and modules.
13. In the event of a programme approval being suspended for more than one calendar year, the approval of the programme will be immediately withdrawn.
14. Before reaching a decision to suspend or withdraw academic approval of a programme, the Academic Council must consider the advice of relevant parties including that of the director of programmes or programme leader, as appropriate.
15. In the event of a decision to close a programme the Academic Council must consider and approve plans for securing adequate standards and learning opportunities for any student remaining on the programme.
16. In the event of the Board of Directors of BPP University College proposing prematurely to withdraw or close a programme of study leading to an award of BPP University College, the Academic Council must review such proposal and must satisfy itself that the standards of awards directly affected by the proposal and the interests and rights of students registered on the relevant programme, and on other programmes directly affected by the proposed withdrawal or closure, are reasonably safeguarded before determining whether or not to consent to the withdrawal or closure proposed.

Joint Action with Professional or Statutory Bodies

17. With the prior approval of the Academic Council there may be collaboration with a professional or statutory body in the approval or in the re-approval of a

programme of study. The collaboration may be for the purpose of minimising overlap and duplication between BPP University College and a professional body and may include conjoint approval or re-approval.

Part E**Programme Monitoring**

1. All programmes must be monitored annually consistent with the Annual Programme Monitoring Procedure as authorised by the Academic Council.
2. The Annual Programme Monitoring Procedure must be operated to:
 - (a) review admissions policy and performance;
 - (b) critically assess whether programme and component module specifications remain current and valid both in academic and professional terms;
 - (c) establish whether there are convincing grounds for the programme meeting the academic standards claimed;
 - (d) evaluate student performance in relation to programme and module learning outcomes in the relevant year and, where appropriate, by comparison with previous years;
 - (e) review and analyse feedback from students;
 - (f) critically review the effectiveness of the programme and each individual module to establish the extent to which the learning opportunities have provided students with a fair and reasonable chance of achieving the academic and professional standards required for successful completion;
 - (g) identify good practice in the programme and component modules and consider how good practice could be extended;
 - (h) identify problems, weaknesses and areas for improvement;
 - (i) identify on-going opportunities for development and enhancement of programmes and component modules;
 - (j) determine whether action listed in previous action plans has been properly taken and decide on an action plan to address matters arising from the annual monitoring of the programme;
 - (k) critically review the effectiveness of the programme aims, teaching and learning methods, assessment strategies, including e-learning, for students with disabilities, and comment on the number of students with disabilities and their retention and achievement;
 - (l) comment on the students' ethnic profile, by retention and achievement, identifying trends and underrepresented groups.
3. There must be for each programme an annual programme monitoring report for which the programme leader, or director of programmes is responsible. The reports must take account of the evidence stipulated in the procedure and their content accord with the specification in the Annual Programme Monitoring Procedure.

4. The reports must be considered by programme committees and these committees must decide on action plans. Reports and action plans will be subject to further scrutiny as provided in the Procedure and a composite report on the operation of the Procedure and its outcomes must be made annually to the Academic Council.

Part F

Admission and Registration

General Requirements

1. BPP University College's recruitment and admission policies and procedures must be clear, fair, lawful and have due regard to the legitimate interests of prospective students.
2. Recruitment and admissions shall be founded on the principles of selection according to merit and equality of opportunity and programmes will be promoted to encourage applications from as diverse a range of applicants as possible.
3. Applicants with learning difficulties and/or disabilities will be encouraged to disclose these, and this information will be processed in accordance with the Disability Disclosure Policy.
4. The Academic Council shall authorise sub-regulatory instruments and procedures to govern the admission of students.
5. These instruments will include procedures for the:
 - (a) Admission of students to programmes of study;
 - (b) Admission of students to a non-award course;
 - (c) Admission of students to a single module offered by BPP University College;
 - (d) Admission of students with disabilities or additional needs;
 - (e) Admission of students with criminal convictions;
 - (f) Admission of students with academic credit.
6. Each procedure detailed in Paragraph 3 above will specify:
 - (a) the publication and information required for the prospectus;
 - (b) the provision of information to students, parents and employers through publications, the website, open days and summer schools;
 - (c) the application and selection process;
 - (d) the process of making offers to applicants;
 - (e) the process of enrolment involving the acceptance of an offer of admission to a programme and of the conditions attached to it by an applicant, and the recording of the applicant as holding an offer;
 - (f) the process of matriculation involving the provision and recording of proof of the qualifications claimed in the application and of any other requirements imposed as a condition of admission;

- (g) the process of registration of the applicant as a student of the institution and of a specific programme and, if appropriate, of a specified pathway of study within a programme;

Admission to a Programme of Study

7. All applicants for admission to a programme of study shall be required:
 - (a) to meet the conditions of BPP University College General Entrance Requirement, as agreed by the Academic Council and specified in Schedule D to these Regulations; and
 - (b) to meet any particular requirements specified for the relevant programme of study, as approved by the Academic Council through programme approval, re-approval or modification procedures, and specified in the relevant programme regulations.
8. Tier 4 international students only (non EEA and Switzerland citizens) will need to meet any particular requirements stipulated by the UK Border Agency.
9. The criteria to be applied in the selection process under Paragraph 6(b) above, must be specified in advance of the consideration of candidates, and have received formal approval by the Academic Council in accordance with the procedures approved under Part D, Paragraph 3 of these Regulations.
10. The decision as to whether an applicant shall be offered a place and admitted to a programme of study shall rest with the relevant dean of school or by delegation an admissions tutor.
11. Deans of School shall have the right to convene a Reasonable Adjustments Panel to determine whether an applicant with declared disabilities can complete the programme in line with regulatory requirements for future professional registration.
12. In addition, Deans of School shall retain the right to determine the maximum or minimum intake for individual modules or other units of study, providing that an applicant may not be denied admission to any core modules which contribute to the programme of study for which they are registered.
13. An individual verification of the academic qualifications obtained prior to entry may be undertaken, either during the admission process or following enrolment but before registration as a student. As part of this verification, applicants may be required to provide certification to verify their academic qualifications.

Misrepresentation or Fraudulent Information within an Application

14. In cases where an application is discovered during the admissions process to contain misrepresentation or fraudulent information the dean of school or, by delegation, an admissions tutor will have the authority to reject an application or revoke an offer of admission. If such evidence of fraudulent information on an application of a candidate comes to light following the registration of that candidate, the case shall be considered by the dean of school who will have the authority to terminate the student's registration.

Applications Rejected on Academic Grounds

15. All applications to BPP University College identified for rejection by the dean of school or, by delegation, an admissions tutor must be further considered by a reviewer appointed by the dean, except in those cases where the academic qualifications offered by the applicant for consideration for admission do not meet the specific minimum requirements for the programme as laid down by BPP University College, in which case the decision of the dean or admissions tutor shall be final.

Rejected Applications on Non-Academic Grounds

16. In cases where information of a relevant non-academic nature concerning a candidate for admission to BPP University College is such that the dean or, by delegation, an admissions tutor determines it to be appropriate to reject the applicant he or she shall refer the application to a reviewer appointed by the dean. Such relevant information may include:
- (a) activities outside the law;
 - (b) anything done or said by the applicant which *prima facie* presents a clear and immediate danger of infraction of the law, such as violence or threat of violence to persons or serious damage of property.
17. The reviewer appointed by the dean shall make a recommendation to the director of programme on the admission of the student. The director of programme shall make a final determination, giving due regard to the recommendations of the reviewer.

Documentation Requirements

18. The Registry will maintain separate prospectuses for each School containing a listing of all approved programmes and their modules of study. The prospectus will also provide general information of costs, fees, the availability of financial assistance and guides on each of the study sites.

Admission Regulations for Specific Groups**Candidates with Disabilities and/or Learning Difficulties**

19. In selecting students equitable consideration must be given to all candidates. On being called to interview or on being made an offer a student with a disability shall be invited to discuss the support required to complete the programme with a trained and specifically designated member of staff to:
- (a) ensure that the student is fully aware of the demands of the programme;
 - (b) identify any resources or arrangements that the student requires;
 - (c) determine whether BPP University College can reasonably provide these and to ensure that, in the case of programmes leading to awards accredited or recognised by professional or statutory bodies, they do not contravene professional or statutory bodies' requirements.

20. Where adjustments are reasonable, BPP University College shall deal with the student efficiently and fairly. BPP University College will provide the student with a clear record of the adjustments to be made in the form of an accessible learning contract. The learning contract shall set out as a minimum:
- (a) A clear, precise and accurate listing of adjustments to be provided by BPP University College;
 - (b) An agreed clear contact point for the student during their studies;
 - (c) A clear statement as to the expectations of BPP University College that the student will keep BPP University College reasonably and expeditiously informed as to any alterations in their disability and its effects on their study.

Candidates Convicted of a Criminal Offence

21. BPP University College acknowledges the key role of education in the rehabilitative process and that a criminal record may not debar an applicant from admission unless the nature and seriousness of the offence in question is incompatible with:
- (a) the programme applied for; or
 - (b) the ultimate professional or vocational goal, including membership of a professional or statutory body; or
 - (c) participation in an academic and social setting; or
 - (d) BPP University College's responsibility for a safe and neutral environment for learners and employees.
22. An applicant for admission to BPP University College who has received a police caution or been convicted of a criminal offence must declare the police caution or conviction in the application.
23. An applicant who receives a police caution or is convicted of a criminal offence after applying to BPP University College, whether before or after registration, must declare the police caution or conviction immediately.
24. BPP University College reserves the right to withdraw or amend any offer(s) of admission or to prevent the enrolment and registration of, or to terminate the registration of any applicant that it discovers has withheld information about a police caution or a conviction.
25. Where an applicant has a police caution or a criminal conviction BPP University College may ask the applicant's permission to seek further references from an individual or body it considers appropriate. In certain circumstances this may include a police check on the applicant's criminal record. A refusal of permission to BPP University College may prevent further consideration of the application or termination of registration.

Admissions with Credit

26. Prior certificated and experiential learning of students admitted and registered on a programme may be accredited against modules on that programme of study and exemptions granted, provided that any such accreditation and exemption are:
 - (a) consistent with the terms of recognition of the programme by a professional body; and,
 - (b) in the case of a programme leading to an accredited award consistent with the terms governing the programme and award.
27. The minimum exemption that may be granted is one module with a value of ten credit points, and the maximum exemption permitted is two thirds of a programme; except that no exemption may be granted in respect of a module forming any part of the final one third of a programme prior to the terminal award available.
28. No exemption granted on a programme may count towards an interim programme award.
29. Exemption from requirements of a programme may be granted where, and only where, the prior learning demonstrated is equivalent to that gained on an identified module or modules and the exemption will apply to the particular module or modules.
30. Where exemption is granted from a module or modules on the strength of prior learning, the exempted and accredited module or modules will be recorded with a credit rating but not a grade. The overall grade of result on the final award will be determined by the marks on modules completed and assessed on the programme.
31. Modules accredited on the basis of prior learning will be indicated as such on a student's transcript.

Enrolment and Matriculation

32. A person who is an applicant to BPP University College will enrol when BPP University College records an applicant's formal communication of acceptance of an offer of admission and acceptance of the conditions attached to the offer.
33. Applicants who have been enrolled at BPP University College will matriculate by providing evidence of their qualifications and by producing a birth certificate or passport. Tier 4 international students (non EEA and Switzerland citizens) will also be required to provide a valid visa allowing them to study at BPP University College.
34. Applicants may be enrolled conditional on results being outstanding on qualifying awards and may be permitted, at the discretion of the dean, to attend classes but may not be registered until evidence of results on all qualifying awards is submitted.

Programme Registration

35. Applicants who have enrolled and matriculated will become registered students when BPP University College records each student's acceptance and undertakings, in writing, to abide by the regulations, rules and terms of registration with BPP University College.
36. Only applicants who are enrolled and matriculated may register as students of BPP University College. Registration will be in a designated school and on a specified programme and for specified modules to be studied within a specified stage of a programme.
37. Subject to Paragraph 32 above only persons who have been registered may be permitted to begin a programme of study.
38. No credit will be given for attendance at any programme until registration has been completed.
39. Students shall not be permitted to register simultaneously for more than one programme at BPP University College without the written permission of the relevant dean of school.
40. Tier 4 International students (non EEA and Switzerland citizens) will be assessed for a Confirmation of Acceptance of Studies (CAS) under Tier 4 requirements independently of their registration. An international student's registration does not automatically grant BPP University College's sponsorship under Tier 4 regulations.

Module Registration

41. A registered student will be registered for modules when BPP University College accepts the student's application for individual module registration. Registration for modules shall be subject to the requirements of each programme as set out in the programme handbook.
42. It is the responsibility of individual students to ensure that they are correctly registered for modules which meet programme requirements.
43. Students shall not be permitted to register for a module unless they have or will satisfy the pre-requisites and/or co-requisites for that module. Students who do not meet the normal prerequisites for entering a module may be admitted to the module provided they satisfy other conditions which are deemed by the dean of school to qualify for studying the module.
44. Students shall not change the modules for which they are registered without the formal written approval of their programme leader or director of programmes, as appropriate, or nominee. No such changes will be permitted after the second week of the commencement of teaching of the relevant module, except where there are extenuating circumstances.
45. BPP University College reserves the right to limit the number of students taking any particular module and to determine when, and if, a module will be available.

Suspending Registration

46. A student, whether full or part-time, may apply to the Dean of Academic Affairs, or nominee, to suspend registration from his or her programme for a defined period of up to a maximum of twelve months, subject to the prior approval of the relevant programme leader or director of programmes.
- (a) A student given approval to suspend registration within the academic year or term may be required to repeat part or all of that academic year or term.
 - (b) A student who has completed the academic year or term and all associated assessments successfully shall be permitted to progress to the next level of the programme.
 - (c) On application from the student one further period of suspension of registration, either consecutively or at a separate point in the programme, may be permitted by the relevant programme leader or director of programmes, after which a person will be deemed to have withdrawn and must apply for re-admission.
47. A director of programmes may apply to the School Board to suspend registration of a student from a programme for a defined period of up to a maximum of twelve months, subject to the prior approval of the Dean of Academic Affairs.
48. Persons whose registration has been suspended are not students and have no right to avail themselves of BPP University College services unless this is expressly authorised in writing by BPP University College.

Withdrawal of Registration

49. Students who, before completion of the programme, wish to withdraw and terminate their registration permanently from BPP University College must give notice in writing to the dean of school. Fees already paid will not normally be refunded and any monies due will be charged notwithstanding the withdrawal.
50. A programme leader may apply to the School Board to withdraw and terminate registration of a student from a programme for a defined period of up to a maximum of twelve months, subject to the prior approval of the Dean of Academic Affairs, or nominee.
51. A student will be presumed to have withdrawn and terminated his or her registration if he or she does not re-register within the specified registration period at the start of the programme stage or is absent from a term without prior approval for a period of 15 working days.
52. If a student fails to respond to a written communication from BPP University College seeking clarification of his or her status within 15 working days, he or she will be re-classified as withdrawn and deemed to have terminated his or her registration.

53. Persons who are classified as withdrawn are not students and have no right to avail themselves of BPP University College services unless any are expressly authorised in writing by BPP University College.
54. An application for entry from a student who has previously withdrawn and terminated his or her registration shall be treated as a new application.

Terminating Registration

55. BPP University College shall reserve the right to terminate a student's registration, temporarily or permanently (which may involve, inter alia, exclusion from sitting or re-sitting assessments) who:
 - (a) is in arrears with the payment of fees or any other dues to BPP University College or to an affiliated institution; or
 - (b) has failed to satisfy the academic requirements necessary to continue on the programme of studies concerned; or
 - (c) has temporarily withdrawn from BPP University College and has failed to meet the conditions laid down for the resumption of study; or
 - (d) has been disciplined in so far as the disciplinary action taken by BPP University College relates to registration or re-registration; or
 - (e) has provided materially inaccurate information in support of his/her application; or
 - (f) has acquired a criminal conviction of sufficient seriousness or has failed to declare a police caution or a criminal conviction occurring during the course of his/her studies; or
 - (g) has lost immigration status/ permission to study in the UK.

Change in registration particulars

56. A student must notify the Registry of any changes occurring in the particulars supplied for matriculation and registration purposes.
57. Where changes are such that initial admission and registration would not have been permitted had the changed circumstances applied at that time, BPP University College reserves the right to terminate the student's registration and require him or her to withdraw from the programme of study.
58. For practical purposes it is vital that students keep the Registry informed of any changes in contact details. Failure to do so may result in students not receiving important information such as examination dates or results.

Fees

59. Students are responsible for the payment of fees and BPP University College reserves the right to suspend a student unless all his or her fees have been paid by specified dates. A suspended student is not entitled to any privileges of membership of BPP University College including the grant of an award; to sit assessments or to the release of assessment results. The policies and procedures governing the payment of fees shall be set out in the Manual of Procedures.

Completion of Registration

60. On completion of registration a student shall be entitled to receive a registration card.
61. Students may be asked to produce their registration cards at any time for the purpose of identification.

Attendance

62. Full-time students are required to be in attendance at BPP University College during the 15 weeks of each term and whatever additional time is required by the programme of study for which they are registered. Students on part-time programmes are required to meet the attendance requirements specified in the programme handbook for the programme of study for which they are registered. A student failing to satisfy an attendance requirement will be subject to the provisions of the Academic Progress and the Examination and Assessment Regulations unless prior permission or retrospective consent to non-attendance in defined circumstances and on specified conditions has been granted by the relevant programme leader or director of programmes.
63. Students shall be required to attend such academic and practical work and to perform such academic engagements as may be prescribed for the programme concerned.
64. Students are required to notify the Registry of any absences from examinations and compulsory components of their programmes and to submit medical certificates or other evidence of extenuating circumstances as provided in the examination and assessment regulations and supporting rules.
65. Tier 4 International Students (non EEA and Switzerland citizens) on full time programmes are required to be in attendance at BPP University College for a minimum of 80% of all classes and contact points throughout the duration of the programme.

Jury Service

66. Students may be summoned for jury service during their time at BPP University College but such service may be incompatible with their study. Students who are summoned for jury service must contact the relevant programme leader or director of programmes to discuss the impact of this on their study.
67. Students may seek to be excused from jury service by contacting the Registry, which will normally provide a letter supporting an application to be

excused. However, excusal is not a right. Students should contact the Registry and submit their application to the relevant court at the earliest opportunity.

Principal's Emergency Powers

63. In extreme circumstances and in cases of great urgency, the Principal has the authority to suspend a student with immediate effect. Such measures are not intended as a penalty but as a mechanism to protect BPP University College community.
64. The Principal's Emergency Powers may be exercised to suspend students:
 - (a) who are considered a danger to themselves or others, and are in serious breach of health, safety and environmental protection;
 - (b) against whom a criminal charge is pending or who are the subject of police investigation.
65. The Principal may delegate his/ her emergency powers to a Deputy Principal or a Dean within BPP University College.
66. Under the Principal's Emergency Powers, a student may be barred completely or partially from College premises and activities. Upon the recommendation of the Dean or Programme Director and at the discretion of the Principal, a suspended student may be allowed to attend examinations scheduled as part of the programme, while the case is under investigation.
67. Where a student has been suspended under the Principal's Emergency Powers, the reasons for the decision will be recorded in writing and made available to the student within 48 hours from the date of suspension.
68. A student suspended under these provisions will be given the opportunity to make representations in person or in writing to the Principal or his/her nominee within 5 working days from the suspension date.
69. The Principal or his nominee will act on the student's grievance in a timely manner. Decisions to suspend students under the Principal's Emergency Powers will be reviewed by the Principal and two other members of the Academic Council (one internal member and one external member) every 28 days in the light of any developments and of any representations made by the students or anyone else on their behalf.
70. Where a student is expelled from BPP University College he or she will not be entitled to any refund of fees already paid; or be admitted to any other College course. In addition, he or she will remain liable to pay any fees which are still outstanding.
71. A student who has exhausted BPP University College's internal appeals procedures may refer the matter to the Office of the Independent Reviewer for an external and independent evaluation of the case.

Part G

Academic Progress and Student Support

General Requirement

1. The Academic Council shall approve and regularly monitor sub-regulatory instruments governing mechanisms designed to support the academic progress of students consistent with the maintenance of proper academic standards.
2. These Regulations and the associated sub-regulatory instruments apply to all students studying for an award of BPP University College or for a programme leading to an award of a professional or statutory body which BPP University College has been accredited to offer on behalf of that body.

Responsibilities of Students

3. Students are expected to show reasonable diligence in the pursuit of their studies for the award for which they are registered. This includes:
 - (a) complying with such attendance requirements as are set out in the programme regulations;
 - (b) complying with all programme requirements;
 - (c) complying with all fitness to practice requirements, where applicable.
4. It is the responsibility of the student to bring to the attention of his or her personal tutor any personal or mitigating circumstances that may affect his or her progress to the award of the qualification.
5. The Academic Council shall approve a student disciplinary procedure to investigate and deal with students who are felt to be in breach of the above obligations.

Responsibilities of BPP University College

6. BPP University College shall have in place mechanisms to support and monitor the academic progress of its students. These mechanism shall include:
 - the student's personal tutor;
 - attendance monitoring;
 - review and feedback on assessments;
 - learning support provision for students with disabilities;
 - counselling and advice on deferral of assessments and interruption of study.
7. Each dean of school shall be responsible for ensuring that student progress is monitored and reviewed.
8. Personal tutors I shall be responsible for ensuring that students are made aware of the support mechanisms available to them .
9. The Head of Student Services shall be responsible for ensuring information about support mechanisms are available on the VLE.

10. The school board shall notify the Dean of Academic Affairs of any student who has intermitted or been excluded, temporarily or permanently, from BPP University College.
11. BPP University College shall have in place procedures to address matters of student discipline, student complaints and student appeals.

Part H: Examination and Assessment

Examination and Assessment

1. In all programmes of study and non-award courses at BPP University College, only three types of examination and assessment are recognised:
 - (a) Diagnostic examinations and assessments provide indicators of learners' aptitude and readiness for a programme of study and identify possible learning problems or study needs.
 - (b) Formative examinations and assessments are designed to provide learners with feedback on their performance and give guidance on how it can be improved without counting toward the overall result on a module or programme of study.
 - (c) Summative examinations and assessments contribute to students' learning, provide a measure of achievement or failure in respect of learners' performance in relation to the intended learning outcomes of a programme of study and count towards the overall result on a module and programme.
2. Unless otherwise indicated, these Regulations regulate summative examinations and assessment and the words examinations and assessment should be read with this meaning.
3. Examination and assessment will be used by BPP University College to:
 - (a) provide the basis for decisions on students' learning needs;
 - (b) provide feedback to students to help with their learning;
 - (c) provide a basis for a decision on students' readiness to progress;
 - (d) provide a basis for a decision whether they qualify for an award; and
 - (e) provide a basis for a decision about the grading of their achievement.
4. Regulations, rules, policies and procedures must be consistently interpreted and implemented so as to safeguard academic and professional standards and to uphold fairness to students. For each award and award element there must be careful attention throughout to maintaining standards at the appropriate level and judging students' achievement against this.

Information for Students

5. For each programme there will be a schedule of the examination and assessment elements in each component module along with information on the form and weighting of each assessed element, the deadline dates for the submission of course work and the dates of examinations. The schedule must be published on the student web-site prior to the first term in the academic year and in the student programme handbook.

6. Changes to deadline dates for assessment or examinations should be avoided. Where such changes are necessary the programme leader or director of programmes must seek the approval of the dean of school and the change must be reported to the board of examiners.
7. Where under the programme regulations attendance on all or part of the programme is compulsory in meeting the assessment requirements for an element or elements of the programme, the details must be set out on the student web-site.
8. Marks for completed items of module assessment must be aggregated and a result status determined for the module.

The responsibilities of students

9. It is the responsibility of students to attend any compulsory assessed element of scheduled coursework, to submit work for assessment in the form specified in the student programme handbook by published deadlines and to attend examinations as required.
10. If a student fails to submit work for an assessment component by the deadline or to attend an examination without good cause, the student shall be deemed to have failed the assessment component or examination to which shall be assigned a mark of zero (0).
11. Where there is good cause a student may be given approval for the late submission of assessed course work in accordance with the Extension of Deadline Date for Assessments Procedure published on the student web-site and in the Manual of Policy and Procedures.
12. Where there is good cause a student may be permitted to defer taking an examination until the next appropriate sitting of an examination in accordance with the Deferral of Examination Procedure published on the student web-site and in the Manual of Policy and Procedures.
13. Where a student has failed to meet a specified attendance requirement for what the dean of the school judges to be good cause, having taken account of the provisions in these General Academic Regulations at Part F Paragraph 59-61, the Academic Progress Regulations at Part G, and Part H, Paragraph 10 the dean of school shall decide what action the student must take to remedy the deficiency. This may include deferral of and repeating part of the programme, or attendance at those missed classes at the next opportunity or the coverage of the learning outcomes through some other mechanism. The dean shall have the power to invoke or waive additional programme fees.
14. Where a student has failed to meet a specified attendance requirement without permission or consent as provided in Part F, Paragraph 59-61 or has failed to meet the conditions attaching to sanctioned non-attendance, and where this is consistent with the penalties provided in Part H, Paragraph 10 above, the student shall be deemed to have failed the assessment requirements for that programme or part of the programme. The dean of school shall decide what action the student must take to remedy the deficiency in covering the learning outcomes. The student shall be informed in advance of any fees that he or she may incur. Any marks achieved in subsequent examinations and/or assessments relating to that part of the

programme that the student had been deemed to have failed shall be treated as reassessments and capped at the pass mark.

15. It is the responsibility of the student to provide the Mitigating Circumstances Panel with any relevant information, properly documented, on any personal circumstances that have substantially impaired his or her performance in examinations and assessments in accordance with the Rules on Mitigating Circumstances and Concessions as published on the student web-site and in the Manual of Policies and Procedures.

Academic Misconduct

16. Students shall not commit, or attempt to commit any act, or attempted act, leading to circumstances whereby they, or another, might gain an unpermitted or unfair advantage in an examination or an assessment or in the determination of results, whether by advantaging themselves or by advantaging or disadvantaging another or others, or which might otherwise undermine the integrity or reputation of BPP University College and its examination and assessment process.
17. Academic misconduct shall be distinguished from Poor Academic Practice. Poor Academic Practice shall be defined as the inadvertent breach of academic practice which is below the level of infringement, where no distinguishable advantage may be gained by the student, or another, and where there is no discernible intention to deceive.
18. It shall be for BPP University College to bring an allegation of academic misconduct and to prove the allegation on the balance of probabilities.
19. In the case of programmes accredited by and/or leading to the award of a statutory or professional body, where, under the terms of an agreement concerning such programmes with the statutory or professional body, BPP University College undertakes to report to that body any identified breaches of the Academic Misconduct Regulations, BPP University College will do so in accordance with any agreement or regulation that exists between BPP University College and the relevant professional body at the time of the misconduct being found proven.
20. Where an allegation is made of a breach of Paragraph 16 above, the Dean of Academic Affairs, or nominee, shall determine whether there is a case to answer. If no case to answer is found the Dean of Academic Affairs, or nominee, shall dismiss the case.
21. Where a case to answer is found the allegation shall be investigated and subsequently determined as an alleged infringement or as an alleged violation.
 - (a) In cases of alleged infringements of these Academic Misconduct Regulations, BPP University College's primary aim shall be to endeavour to improve the student's understanding of what constitutes academic misconduct and why, for the benefit of the student's approach to academic study and the avoidance of future infringements. Approaching infringements in this way does not preclude the imposition of penalties to negate the advantage of the academic misconduct committed and to safeguard the integrity of BPP University College's awards.

- (b) In cases of alleged violations BPP University College's primary aim shall be to protect the integrity of its reputation, assessment processes and awards. Approaching violations in this way does not preclude the imposition of penalties that endeavour to improve the student's understanding of what constitutes academic misconduct and why, for the benefit of the student's approach to academic study.
22. The Academic Council will authorise sub-regulatory instruments and procedures to govern the investigation, and where appropriate the imposition of penalties, with regard to any allegation of academic misconduct.
23. The sub-regulatory instruments shall be constructed in order to hear and determine all allegations as expeditiously and as reasonably possible, having regard to the circumstances of each case and the requirements of natural justice and fairness.
24. The procedures detailed under Paragraph 22 will specify and prescribe:
- (a) the required documentation for submission to the Dean of Academic Affairs in the event of an allegation of academic misconduct;
 - (b) the criteria to apply in evaluating whether an allegation is an infringement or violation of the above regulations;
 - (c) the evidence to be available in hearing allegations of academic misconduct;
 - (d) the responsibilities in hearing allegations of academic misconduct; and,
 - (e) the range of and criteria for imposing penalties in cases of proven allegations of academic misconduct.
25. Where there is uncertainty under the above regulations or instruments, the Dean of Academic Affairs has delegated authority to determine the procedure that shall apply. The decision shall be final and no reasons for the decision shall be given.

Examinations

26. An examination is, for the purposes of these rules, defined as a summative assessment of any duration which is subject to continuous invigilation. In the case of a skills performance the examination script may include a video recording as well as written material such as a plan.
27. Formative assessments which are intended to provide the student with the opportunity of experiencing an examination should adopt the relevant parts of these examinations (such as the invigilation of the examination) as closely as is practicable.
28. Where an unseen, summative examination is to be held in more than one location, whether nationally or internationally, the integrity of the assessment process must be protected by one of the following:
- (1) the examinations must be held contemporaneously; or

- (2) separate but equivalent assessment instruments must be used for each location; or
- (3) steps must be taken to ensure that communication between students taking the same examination at different times does not occur.

Appointment of Invigilators

- 29. Any person approved to act as an invigilator must have completed training conducted by the Dean of Academic Affairs, or nominee.
- 30. The number of invigilators required in each examination room will be determined by the Dean of Academic Affairs, or nominee.
- 31. The Dean of Academic Affairs, or nominee, shall appoint a chief invigilator for each examination.
- 32. The relevant school will nominate invigilators to the Dean of Academic Affairs, or nominee, at least four weeks in advance of the examination.

Instructions to Invigilators

- 33. Instructions to invigilators, incorporating the rules set out here, shall be published annually by the Dean of Academic Affairs, or nominee. In addition the Dean of Academic Affairs, or nominee, will provide all invigilators concerned with the procedures and instructions for the invigilation of each examination indicating:
 - (a) the location of the examination;
 - (b) the number of candidates and their candidate numbers;
 - (c) examination materials provided by the Deputy Registrar;
 - (d) additional materials to be provided by the School;
 - (e) the names of the invigilators;
 - (f) any examination-specific instructions provided by the module leader;
 - (g) any arrangements for exam concessions for students with learning difficulties and/or disabilities as outlined in the Manual of Policies and Procedures, Part H Section 11.
- 34. Where a programme includes a dissertation or report:
 - (a) the assessment of the dissertation or report may include a *viva voce* examination as a compulsory part of the determination of an assessment mark.
 - (b) the submission and assessment requirements must be set out in detail in the programme handbook.

Part I

Boards of Examiners

General Requirements

1. All examinations and assessments on a programme of study must be conducted under the supervision and control of a board of examiners and the chair of the board shall be responsible to the Dean of Academic Affairs for ensuring that the regulations, relevant sub-regulatory instruments, rules, policies and procedures and the relevant programme regulations are followed.

Structure

2. The programme regulations for each programme must specify the structure of the board or boards of examiners for the programme consistent with one or another of the following alternatives:
 - (a) a programme may have a single programme board of examiners to determine the result on each component module in the programme, the result on stages in the programme and the result to be recommended on each programme award;
 - (b) a programme may be one of two or more programmes in a group with a common programmes group board of examiners to determine the result on all component modules in the programmes within the group, the result on stages in the programmes and result to be recommended on each programme award;
 - (c) a programme may have a two tier structure of boards of examiners with each module within the programme having a module board of examiners responsible for determining the aggregate mark and pass or fail result on the module and an upper tier single programme board of examiners with responsibility for determining the result on stages in the programme and the result to be recommended on each programme award;
 - (d) a programme constituting one in a group of programmes may have a two tier structure of boards of examiners, provided this applies also to each programme within the group, with each module within the programmes having a module board of examiners responsible for determining the aggregate mark and pass or fail result on the module, and an upper tier programme group board of examiners with responsibility for determining the result on stages in each programme and the result to be recommended on each programme exit award.
 - (e) Where a programme leading to an award of BPP University College incorporates a separate programme leading to the award of a professional or statutory body a two tier structure of boards of examiners shall be adopted. The first tier board of examiners shall have the status and duties of a single programme board of examiners as set out in 2(a) above in relation to the programme leading to the award of the professional or statutory body. The second tier board of examiners shall determine the result on each component module, stage (or stages) and the result to be recommended on the programme award

incorporating, but not amending, the result recommended to the Academic Council by the first tier board of examiners.

Membership

3. The Dean of School shall nominate to the Academic Council the chair and members of boards of examiners for each programme, group of programmes or module, as appropriate, within the school. The terms of reference, composition and voting rights of boards of examiners are set out in GARs, Part A: Board of Examiners.
4. No student registered on a programme at BPP University College may be a member of, or attend, a Board of Examiners covering a module or programme for which the student is registered except that a student may appear as a candidate for a *viva voce* examination.
5. Where a member of the Board of Examiners has a link with a student on a relevant programme or module which might influence, or be thought to influence, a decision on that student, the member must inform the chair who must decide whether the member shall withdraw. Any such report of a possible conflict of interest and the action must be recorded, with reasons stated, and reported to the Dean of Academic Affairs.

Proceedings of Boards of Examiners

6. A programme or programme group board of examiners shall be convened by the chair of the board at the end of the first stage and the end of the second stage and otherwise when needed to fulfil the board's functions.
7. Where a two tier structure of examination boards applies module boards must be held at the end of the term in which the module is completed to determine the aggregate mark and pass or fail result on the module. To be properly constituted the external examiner or examiners must be present at the module board when results are to be determined.
8. At the end of the first term external examiners must be present for a programme or programme group board of examiners to be properly constituted if the board's business includes deciding results on stages in the programme(s) or deciding on results to recommend on programme awards.
9. At the end of the first term a programme or programme group board, whether in a single tier or two tier examining board structure, may be properly constituted in the absence of external examiners if the business excludes results on modules within the programme(s), decisions on results on stages in the programme(s) and results to be recommended as programme awards. At the end of the first term in the absence of external examiners, single tier programme or programme group boards may decide on provisional results on modules in the programme(s) and under the authority of the Dean of Academic Affairs these provisional module results may be released to students as provisional results subject to confirmation by the board of examiners to be held at the end of the second term or otherwise at the end of the stage with the external examiners present.
10. At the end of the second term or otherwise at the end of a stage external examiners must be present for programme boards to be properly constituted.

11. In relation to external examiner attendance at examination boards, BPP University College defines 'present' as physically present at a BPP Centre. This can be either at the central location of the examination board or via video conference at an alternative BPP Centre where other members of the same examination board are also in attendance.
12. No decision may be made by a board of examiners unless a quorum is present⁴. Notwithstanding the quorum stated all those members of staff appointed as internal members of the boards of examiners, as provided in Paragraph 3 above, are expected to be present at a meeting of the board. Where a member of a board of examiners is unable to attend a meeting he or she must notify the chair and provide the reason for his or her absence. External examiners' obligations are specified in Part J, Paragraph 3.
13. Only in exceptional circumstances and with the express permission of the Dean of the School may external examiners be allowed to attend an examination board via a telephone link or make written submissions by post, fax or e-mail.
14. Where through untoward circumstances an external examiner forming one in a team of external examiners is not present at a board of examiners and that meeting of the board is to consider results on a module, results on a stage in a programme or results to recommend on a programme award the external examiner must be consulted by video conferencing, post, telephone, fax, e-mail, or other means and the chair of the board shall be responsible for ensuring that the views of an absent external examiner are presented to the board.
15. When modular results are being confirmed, the Chair of an Examination Board, with the sanction of the Dean of the School, may exercise discretion and allow external examiner attendance by telephone or video conference. This discretion is only permissible under the following conditions: 1) when no issues have arisen over the conduct or the marking of the assessment and there is no *prima facie* reason to change the results; and 2) where the external examiner has received the report on the conduct of the examination and the set of results in advance of the meeting; and 3) where the external examiners have already reviewed the assessment, scripts and marks and have submitted written comments, none of which raise matters of principle, concern or criticism.
16. A board of examiners shall seek to make decisions by consensus following a discussion of any contentious matters.
 - (a) If a consensus eludes the board, the chair may decide that a resolution will require a vote of the members in which case a decision shall be reached by a simple majority of those present and voting with, where necessary, the chair having both an original and a casting vote.
 - (b) However for any matter upon which the external examiners present collectively and unanimously declare a decision to be one of principle,

⁴ The quorum for Examination Boards is four voting members, which must include the Chair of the Board, one internal member and two external members. Where a board is not quorate the business of the board may receive attention providing that any conclusions reached only become decisions when the board is quorate and confirms the outcomes from the non-quorate meeting.

the guidance of the external examiners shall either be accepted by the board or the board shall defer taking a decision and seek guidance from the Education and Training Committee. The board shall reconvene to note the guidance from the Committee and shall reach a decision. Should the external examiners dissent from the decision their dissent and the reasons for it must be recorded.

17. The chair of a board of examiners may be authorised by the board to take action on its behalf provided, first, that there is prior consultation with the external examiners on any decision on the result to be recommended on a programme award, and, second, that all decisions taken in the name of the board are reported to the next meeting of the board.
18. The secretary of the board of examiners must keep a record of all decisions taken at a board and the reasoning behind them, and must forward the unconfirmed and confirmed minutes of all meetings of the board to the Dean of Academic Affairs.
19. The examination board minutes must keep an accurate record of all instances where an external examiner has not been physically present but has attended via alternative means.
20. The chair of the board of examiners shall be responsible for returning correct marks and outcomes to the Registry.

Functions of Boards of Examiners

21. Boards of examiners determine results on modules and stages in programmes and recommend results on programme awards and in doing so they have a duty to uphold the academic standard of each award and its component parts.
22. Boards are further responsible for exercising oversight over the assessment and examining of those registered on relevant modules and programme(s).
23. In executing these responsibilities boards of examiners' functions include:
 - (a) the setting of examination papers and of coursework assessments including the arrangements for external examiners to scrutinise assessment instruments;
 - (b) the conduct of coursework assessment consistent with rules governing the submission of assessments, rules on compulsory attendance, the extensions of deadline date procedure, and deferral of examination procedure;
 - (c) the conduct of examinations consistent with rules applying;
 - (d) examination and assessment arrangements for students with Learning Support requirements consistent with the guidance set out in the Manual of Policies and Procedures, Part H, Section 11;
 - (e) the arrangements for marking assessments and examinations consistent with BPP University College rules on marking scales and the marking procedures approved for the relevant programme by the school board;

- (f) the aggregation of marks for modules and programmes in accordance with the rules applying;
 - (g) the treatment of borderline results consistent with the rules on the limits of discretion available to boards of examiners;
 - (h) determining what assessments and/or examinations should be retaken or modules or stages repeated consistent with the relevant rules when students achieve a fail result.
24. Aggregate marks and pass or fail results on modules shall be decided by module boards of examiners in a two tier structure of boards of examiners or by programme or programme group boards of examiners in a single tier structure.
25. Results on stages in a programme or programmes and results to recommend on awards shall be decided by programme or programme group boards of examiners.
26. Boards of examiners, acting consistently within their responsibilities, must take due account of rules made under these Regulations on:
- (a) anonymity;
 - (b) confidentiality;
 - (c) protocol relating to personal interest or knowledge;
 - (d) students with disabilities or special needs;
 - (e) mitigating circumstances;
 - (f) academic misconduct;
 - (g) aegrotat and posthumous awards;
 - (h) deferrals of any element or elements of examination or assessment;
 - (i) retaking assessments and examinations and resubmission of dissertations and projects;
 - (j) repeating modules and stages.
27. Programme or programme group boards of examiners, and module boards where established, which are convened to decide on results on modules, results on stages in a programme and results to recommend on programme awards, must receive a report from the programme leader or director of programmes, as appropriate, reviewing the setting, conduct of assessment and examinations and marking and must report any occurrence of general relevance to the determination of results or progression between levels.

28. Programme and programme group boards of examiners, and module boards where relevant, may establish a subsidiary panel of an equal number of external and internal examiners to examine a student *viva voce* solely to:
- (a) determine difficult or borderline cases, but only to raise and not to lower a student's marks; or,
 - (b) as an alternative or additional assessment where valid reasons for poor performance have been established.
29. A student may decline to attend a *viva voce* examination, in which event decisions shall be based on the extant evidence.
30. Notwithstanding 25 above, an obligatory *viva voce* examination may form part of the assessment alongside a scrutiny of a dissertation or project in determining a result or mark in a taught master's degree, and in determining a result on a claim for accreditation of prior experiential learning.
31. At the end of the second term, each programme and programmes board of examiners shall take an overview of the academic provision for which it has responsibility, including the operation of BPP University College's regulations, rules, procedures and policies and make a report and any appropriate recommendations to the Education and Training Committee.

Release of results

32. On the authority of the Dean of Academic Affairs, or nominee, and except where students are in debt to BPP University College, provisional results of programme awards, including classifications, and also results on the completion of designated stages in programmes may be published to candidates prior to the meetings of the boards of examiners, provided that it is made clear that the recommendations for awards are subject to approval by the Academic Council.
33. When results of awards have been confirmed by the Academic Council the results shall be final.

Review of decision of Boards of Examiners

34. The decision of a programme or programme group board of examiners on a result on a stage in a programme and on a result recommended on a programme award is subject to review by the Academic Council.
35. The relevant programme or programme group board of examiners alone has authority to recommend the conferment of an award in respect of the programme for which it is responsible and the recommendations of a board may not be amended provided the board has been properly constituted and has acted within its powers and according to the regulations, rules and procedures applying to the programme. A board of examiners may be required to review a board's decision; a board's decision on a result on a stage may be annulled; and a result recommended by a board on an award may not be confirmed.
36. The Academic Council, or a body authorised by it to act in reviewing the decision of a board of examiners, may require that a board of examiners is

reconvened for the purpose of reconsidering a decision or recommendation where at least one of the following grounds has been established:

- (a) those stated in the Examination and Assessment, Verification and Appeals Regulations in respect of a valid appeal which has been judged to be upheld;
 - (b) academic misconduct has been established subsequent to a recommendation by a board of examiners in accordance with the Regulations on Academic Misconduct;
 - (c) there has been a material administrative error, or the examination or assessment was not conducted in accordance with the current regulations and rules for the programme, or some other material irregularity relevant to the examination or assessment has occurred.
37. The board of examiners after duly considering the evidence shall decide, and record the reasons for so deciding, whether to amend or confirm its original decision or recommendation.
38. If the board of examiners does not modify its original decision or recommendation, the Academic Council, or body authorised to act for it, may annul a result on a stage or not confirm a result recommended on an award if, in its considered opinion, due and proper account has not been taken of the relevant evidence and its significance and, where apposite, the findings of the Academic Appeals Board. The Academic Council shall then decide on appropriate consequential action.
39. In cases of serious procedural irregularity the Academic Council has power to annul a result on a stage decided by a board of examiners, or not to confirm a result recommended by a board without making a prior request for reconsideration. If a serious error or irregularity is found to have affected more than one candidate the Academic Council may take consequential action including in respect of the examination and assessment and the determination of results. Where a result decision or recommendation is annulled or not confirmed by the Academic Council, the Council shall be responsible for taking appropriate action, which may include appointing a new board of examiners or new external examiners, to ensure that recommendations are made by an approved board of examiners in respect of the candidate or candidates concerned.

Part J

External Examining

Purposes and Functions

1. External examining has the purpose of assisting BPP University College to ensure that:
 - (a) the academic standard of each award and its component parts is set and maintained at the appropriate level, and that the standards of student performance are properly judged against this;
 - (b) the assessment process measures student achievement appropriately against the intended outcomes of the programme, and is rigorous, fairly operated and in line with the institution's policies and regulations;
 - (c) BPP University College is able to compare the standards of its awards with those of other higher education institutions.
2. Consistent with the external examining purpose, external examiners are appointed in their expert judgment to report on:
 - (a) whether the standards set are appropriate for BPP University College's awards or components of awards;
 - (b) the standards of student performance in programmes, parts of programmes or modules which they have been appointed to examine;
 - (c) the extent to which BPP University College's assessment processes are rigorous, ensure equity of treatment for students and have been fairly conducted within BPP University College regulations, policies and procedures;
 - (d) whether the assessment instruments enable students to demonstrate the achievements of the intended learning outcomes for the module and for the programme;
 - (e) the comparability of the standards and student achievements with those in other UK higher education institutions.
3. In order to fulfil these purposes external examiners must:
 - (a) be in a position to make informed, independent and impartial judgments on the academic standards set, the measurement of student achievement, and the rigour and fairness of the assessment process;
 - (b) be prepared to advise on any proposed changes to the assessment regulations which will directly affect students currently registered on the programme;
 - (c) scrutinise and approve all summative assessment instruments including coursework assessments, takeaway assignments, seen and unseen examination papers;

- (d) evaluate those students with a result status on a module in the fail grade band; review the result status of those students in the highest grade band; either individually or, where the external examiner so advises, on the basis of a representative sample review result statuses from each grade boundary sufficient to endorse that the module assessment process has been carried out in accordance with the published regulations, policies and procedures and that the standards applied are appropriate to the award. External examiners will be consulted about the method for sampling students' work for external scrutiny, and in respect of marks around borderlines, the range of borderline marks and the size of the sample to cover the full range of marking bands. External examiners will have access to all students' work submitted for assessment counting towards an award. The regulations governing the endorsement of the assessment outcomes and procedures for resolving disagreement are set out in the examination and assessment regulations;
- (e) immediately report to the chairperson of the board of examiners concerned any candidate that he or she considers to have engaged in academic misconduct;
- (f) be a full member of the relevant board or boards of examiners and be present and participate when the board's business includes deciding results on modules as provided in Part I, Paragraph 7 and 9, or when the board's business includes deciding on results on stages in programmes or results to be recommended on programme awards as provided in Part I, Paragraph 8; and otherwise participate in the work of the relevant board including in *viva voce* examinations (where appropriate);
- (g) participate as required in the review of decisions about individual students' awards;
- (h) submit an annual report to the Principal at the end of each year of the appointment.

Professional and Statutory Body Responsibilities

- 4. Where external examiner appointments are made by professional or statutory bodies for those programmes delivered under agreement by BPP University College, the principles and procedures set out in these Regulations shall apply except where they contradict the requirements laid down by the validating authority.
- 5. Where there is an apparent contradiction the Dean of Academic Affairs will explore with the relevant professional or statutory body a means of accommodation and such accommodation will be reported to the Education and Training Committee and to the Academic Council.

Mitigating Circumstances and Appeals

- 6. Both BPP University College's Mitigating Circumstances Panel and the central Appeals Panel shall invite at least one external examiner from those appointed, or an external adviser appointed for the purpose, to be a member of the Panel to serve as a reassurance of fairness. The establishment of a

central Mitigating Circumstances Panel and a central Appeals Panel seeks to ensure equity of treatment for all students within BPP University College and to facilitate the expeditious conduct of business in BPP University College's boards of examiners. Where an external examiner or adviser disagrees with the Panel about the action to be taken, he or she has the power to require the Mitigating Circumstances Panel or the Appeals Panel, respectively, to report the full case and the external examiner's views to the Dean of Academic Affairs, who shall report the matter to the Principal and the Chair of the Academic Council.

Meetings with Students

7. External Examiners are entitled to meet students and shall be invited to do so under arrangements agreed with the chair of the programme, programme group or module board of examiners, as appropriate.

Communication with, and Induction of, External Examiners

8. Once appointed external examiners must be provided with sufficient information and support to enable them to carry out their responsibilities effectively. This will include an induction visit, meetings with the programme leader and/or director of programmes, as appropriate, and relevant module leaders and internal examiners, the provision of institutional information relating to the functions of the external examiner including examination and assessment regulations, course handbooks, examination materials and marking and classification criteria, and the timetable within which functions should be carried out.

Appointment of External Examiners

9. External examiners must be appointed for a period of three years to a designated programme or programme group and be members *ex officio* of the programme or programme group board of examiners and where relevant constituent module boards. The appointment is subject to annual renewal. Procedures subordinate to these Regulations, and approved by the Academic Council, will apply to the nominating, appointment and induction of external examiners and to action taken on reports from them.
10. A person appointed by BPP University College as an external examiner must receive, and be subject to, a formal letter of appointment.
11. An external examiner's academic and or professional qualifications must be appropriate to the programme or programme group to be examined and those appointed as external examiners must be in a position to make independent and impartial judgements.
12. An external examiner must have appropriate standing, expertise and experience to carry, within higher education and any relevant professional body, credibility to review and report on academic standards and the fairness of operational procedures.
13. External examiners must be drawn from as wide a variety of appropriate institutional contexts as possible.

14. Appointments are, therefore, subject to the following restrictions:
- (a) external examiners must not have a close professional, contractual or personal relationship with a member of staff or a student involved with the programme of study;
 - (b) examiners should not hold more than the equivalent of two substantial external examinerships concurrently;
 - (c) among the team of external examiners on a programme or programme group there must not be more than one examiner from the same institution;
 - (d) there must be no reciprocal examining between BPP University College and the external examiner's own institution;
 - (e) an external examiner may in specific circumstances and with the express approval of the Academic Council, be re-appointed for up to two further years, but no extension beyond this and no immediate reappointment are permissible;
 - (f) an external examiner must not be succeeded within three years by another examiner from the same institution;
 - (g) no examiner may, within the previous five years have been a member of staff or Academic Council, or a student or been an external examiner on a cognate programme in BPP University College; nor may an examiner be a near relative of a member of staff of BPP University College;
 - (h) no examiner may be associated with a programme through student placements, through sponsorship of a student or through being in a position to influence significantly the employment of students on the programme;
 - (i) an external examiner should not be engaged in recent or current substantive collaborative research activities with a member of staff closely involved in the delivery, management or assessment of the programme(s) or modules in question.
15. External examiners may, at their discretion, terminate their appointments subject to providing three months' notice.
16. Where potential or actual conflicts of interest arise during a period of appointment an external examiner must advise the chair of the relevant programme or programme group board of examiners and, on reference to the Principal, the Principal or representative must determine in consultation with the external examiner the action appropriate to the situation.
17. Whilst it is hoped that such a situation will not arise, an external examiner whose performance or general conduct is unsatisfactory may be warned in the first instance and advised on appropriate remedial actions which must be taken. BPP University College reserves the right prematurely to terminate the appointment of an external examiner who has previously received a warning. In exceptional circumstances the Principal of BPP University College may

authorise a letter of premature termination to be sent to an external examiner concerned without prior warning.

18. There should be at least two external examiners for each programme or programme group leading to a named award.
19. In the case of large programmes, programmes that are delivered on more than one sites, or programme groups the programmes leader or director of programmes, as appropriate, and the dean of school must take into account the spread of expertise required, the workload that each component of the programme(s) is likely to generate and the point in the academic calendar when the workload will occur. Additional nominations should be considered to ensure that the body of external examiners appointed is able to cover the range of expertise and workload satisfactorily.

Reports of External Examiners

20. External examiners are required to make a report annually to the Principal on the standards being set and achieved on the relevant programme or programmes; on the conduct of assessments; on the relationship between assessment instruments and intended learning outcomes and on the comparability of the standards and students' achievements with those in other higher education institutions.
21. The report should be submitted on BPP University College's approved standard report form for external examiners. However, external examiners are not limited by the rubrics or structure in the form and are free to make whatever comments, consistent with the purpose of their office, which they see fit in exercising their expert judgments.
22. An external examiner has the authority to report confidentially directly to the Principal at any time when there is concern about standards and performance, particularly if it is considered that assessments are being conducted in a way which jeopardizes either the fair treatment of individual students or the standards of BPP University College's awards.
23. In exceptional circumstances, where an external examiner has grave concerns with regard to systematic failings with the academic standards of a programme(s) and has exhausted all internal processes, including 22 above, they may instigate the Quality Assurance Agency's *Concerns Scheme* or inform the relevant professional, statutory or regulatory body.
24. Annual reports should be submitted no later than one month after the meeting of the examination board at which the awards are decided.
25. A final report should be submitted where an external examiner's period of office has expired. In addition to the matters that would usually be addressed in the annual report, this report should include an overview of their impression of the standards and quality of provision, salient issues that have arisen during their period of office and any matters that should be brought to the attention of the incoming external examiner.
26. The annual summary of external examiner reports will be scrutinised by the School Boards, the Education and Training Committee and the Academic

Council and shared with the student representatives on BPP University College's committees.

27. The full external examiner reports will be made available to students upon request, with the exception of any confidential report made directly to the Principal. BPP University College
28. External examiners should specifically identify any sections of their report which they would not be content for BPP University College to publish. BPP University College
29. External examiners must receive a considered and timely response in writing to their annual and final reports from the relevant programme leader or director of programmes in accordance with approved procedures. Where an external examiner raises a matter that has institution-wide implications the Dean of Academic Affairs will respond on behalf of the Principal.
30. External examiners' annual fees will be paid upon receipt of the annual or, where appropriate, final report.

External Examining for other Higher Education Institutions

31. Recognising the vital role of the external examinership system for the quality assurance of academic standards within UK higher education, BPP University College encourages its staff to undertake external examining posts with other institutions, provided that these are agreed with the relevant Dean of School and do not cause conflict with the criterion 14(d) above.

Part K

Verification, Appeal and Independent Review

General Requirements

1. The Academic Council shall ensure that all students are dealt with in a fair and reasonable manner by ensuring there are clear and adequate processes for the verification, appeal and independent review of decisions made under these Regulations.
2. The Dean of Academic Affairs, or nominee, shall consider all requests for administrative verification.
3. The Academic Council shall authorise the formation of an Academic Appeals Board which shall consider all permissible appeals.
4. The Academic Council shall authorise the formation of an Office of the Independent Reviewer to consider a reference from a candidate who has exhausted the appeals process as set out in these Regulations and who wishes to seek an independent review of the procedures followed in considering the appeal or of the decision reached on the appeal.

General Principles

5. The Academic Council shall authorise such sub-regulatory instruments to ensure the effective discharge of verification, appeals and independent review.
6. The following general principles apply to the verification, appeals and independent review processes:
 - (a) The verification, appeals and independent review processes shall be private and confidential.
 - (b) In the event of an oral hearing of an appeal or independent review, a candidate may be accompanied by a member of staff or student of BPP University College.
 - (c) Applications for verification and appeals may only be brought in relation to unconfirmed results on awards or results on the completion of designated stages in a programme, published under the authority of the Dean of Academic Affairs.
 - (d) No appeal or request for an independent review will be entertained against the academic judgment of the examiners.
 - (e) No appeal will be entertained against a judgment made on Mitigating Circumstances where mitigating circumstances have been submitted and considered by the board of examiners.
 - (f) Appeals or applications for Mitigating Circumstances based on complaints about the quality of programme delivery shall not be considered under these Regulations. Such complaints must be made under the Student Complaints Procedure.

- (g) A student must request verification, make an appeal or request an independent review on their own part. Requests or applications by a third party will not be entertained.

Monitoring, Evaluation and Review

7. The effectiveness of the verification, appeals and independent review processes must be monitored, evaluated and reviewed annually and a report made to the Academic Council through the Education and Training Committee.
8. The Dean of Academic Affairs, or nominee shall maintain a record of each application for verification or appeal, detailing:
 - (a) the grounds for the application;
 - (b) whether the process was completed in accordance with the regulations and timescales specified in the sub-regulatory instruments;
 - (c) the outcome of the verification, appeals and independent review;
 - (d) the profile of verifications, appeals and independent reviews by equality of opportunity criteria and College Centre.
9. The Dean of Academic Affairs, or nominee, shall complete an annual report in relation to verification and appeals setting out:
 - (a) comments on any identifiable patterns in the applications for verification, appeals and independent review;
 - (b) feedback from students on their experience of the verification, appeals and independent review processes;
 - (c) the efficiency with which the processes were administered;
 - (d) recommendations for changes to the regulations and procedures based upon internal experience and external changes in best practice or legislation;
 - (e) comparison of the results of the analysis to those of previous years.
10. These reports shall be submitted to the Education and Training Committee and the Academic Council.
11. The Secretary to the Office of the Independent Reviewer shall report annually to the Academic Council on the effectiveness of the process of Independent Review and of the outcomes of any cases undertaken. The report shall also make recommendations for changes to the regulations and procedures based upon internal experience and external changes in best practice or legislation.

Part K (Sub-Section 1)**Administrative Verification**

1. A candidate may ask for administrative verification of either
 - (a) a rejected application of admission or
 - (b) unconfirmed results released under the authority of the Dean of Academic Affairs.
2. The Dean of Academic Affairs, shall appoint a member of staff to conduct administrative verifications. It is the responsibility of the Dean of Academic Affairs to communicate to all students and staff the appropriate contact point for requests for administrative verification.
3. An applicant may request an administrative verification of a rejected application for admission, under the authority of the Dean of Academic Affairs that:
 - (a) the application submitted for consideration was complete with all information submitted by the candidate and recorded correctly by the Academic Registry;
 - (b) the consideration of the application for admission was free of errors of fact that may have had an adverse effect on his or her result;
 - (c) the dean was aware of any defects or irregularities in the conduct of the admissions process or in the written instructions which, in the opinion of the candidate, may have had an adverse effect on his or her application.
4. A candidate may request administrative verification of unconfirmed results following the publication of confirmed results for a stage of a programme or unconfirmed results for modules or summative assessment elements published under the authority of the Dean of Academic Affairs, or nominee, that:
 - (a) the marks that he or she has been awarded by the examiners have been aggregated and/or recorded correctly;
 - (b) the examination(s) and/or assessment(s) that the candidate undertook was (were) free of errors of fact that may have had an adverse effect on his or her result;
 - (c) the board of examiners was aware of any defects or irregularities in the conduct of the examination or in the written instructions which, in the opinion of the candidate, may have had an adverse effect on his or her performance;
 - (d) the board of examiners was aware of and considered any mitigating circumstances that had been reported by the candidate to BPP University College, in accordance with the published procedures.

5. A fee may be charged for each request in relation to administrative verification as set out in the tariff of charges for BPP University College. Where an error is revealed the fee will be automatically refunded.

Part K (Sub-Section 2)**Academic Appeals****General Requirements**

1. A candidate may appeal against:
 - (a) the result of any investigation or action taken under these Regulations; or
 - (b) the unconfirmed result of a module or assessment element, published under the authority of the Dean of Academic Affairs; or
 - (c) the unconfirmed result on the completion of a designated stage in a programme, published under the authority of the Dean of Academic Affairs.

Grounds for Appeal

2. A candidate may only appeal where:
 - (a) there is reasonable ground supported by authoritative and objective evidence to believe that there has been administrative or procedural error of such a nature as to have affected the outcome of the investigation or result; or
 - (b) the decision in the case was manifestly unreasonable⁵; or
 - (c) there is new evidence that for good reason, objectively and authoritatively documented, could not be submitted earlier.

Academic Appeals Board

3. The Academic Appeals Board will consider the candidate's case and review that case against the relevant evidence. No member of the Board shall be a member of the board or panel against whose decision the appeal is being brought.
4. The Board shall have the right to undertake such investigation and to invite evidence from such persons as are necessary to establish what action is required on the appeal.
5. The appeal shall be considered by the Board by reference to the candidate's registration and/or assessment number and without reference to his or her name.

⁵ A decision is "manifestly unreasonable" if it can be demonstrated unequivocally that an Officer of BPP University College or a properly constituted College Panel or Board has made an irrational, perverse or logically flawed decision.

6. The Board may, in its discretion, as part of its investigation invite the candidate to attend a meeting of the Board. Should the candidate be unable or unwilling to attend the meeting the Board shall decide the appeal upon the papers.

Evidence Requirements

7. The candidate is responsible for ensuring that all supporting evidence is appended to the appeal form. Any evidence referred to in the appeal form but not appended to it will not be taken into account by the Academic Appeals Board.
8. Documentary evidence appended to an appeal form may be copies of the original documents but the student may be required to produce original documents for inspection on request or at any hearing.

Annulment of a decision by a Board of Examiners

9. In the event of the board of examiners deciding not to act on a recommendation from the Academic Appeals Board to reconsider a decision the provisions in the Examination and Assessment Regulations at Part I, Paragraph 38 will apply.
10. Except where marks have been recorded incorrectly, a successful appeal will not result in any change in the marks.

Conferment of an Award

11. A student may not be conferred with an award until the appeals process has been finalised.
12. Where the decision of the Academic Appeals Board results in the student being admitted to an award the student may either receive the award in person at the next congregation or be deemed to have been admitted to the award on the authority of the Academic Council.

Part K (Sub-Section 3): Independent Reviewer**The Office of the Independent Reviewer**

1. To provide an external and independent review of the efficacy of the operation of its examination and assessment verification and appeals regulations and procedures, BPP University College will establish the Office of the Independent Reviewer.
2. The Independent Reviewer is a person who is independent of BPP University College and who holds or has held a judicial appointment or is a professor or other senior academic with experience in dealing with student appeals and complaints.
3. A candidate who has exhausted BPP University College's internal assessment appeals procedures may refer the matter to the Independent Reviewer where he or she considers that:
 - (a) BPP University College has failed to follow the procedure laid down in the Examination and Assessment Verification and Appeals Regulations; or,
 - (b) the procedure followed is manifestly unfair; or,
 - (c) the decision consequent on the candidate's appeal is manifestly unreasonable.

Making the reference

4. A candidate wishing to refer for review by the Independent Reviewer the procedures and outcome in respect of a specific appeal must contact the Secretary to the Independent Review to discuss the scope of a reference, the information and evidence to be provided and the fee and terms of payment.
5. The reference must be lodged with the Secretary to the Independent Review within 20 working days of the date of the written notification of the board of examiners' decision.
6. The reference must be made in writing specifying in detail:
 - (a) what is being referred for review and under which of the criteria specified under Paragraph 3 above;
 - (b) the ground(s) on which the reference is made;
 - (c) the evidence relied on;
 - (d) whether the candidate making a reference requests an oral hearing by the Independent Reviewer or would wish the reference to be considered solely on the strength of the written submission and supporting evidence.
7. The Secretary to the Independent Review will, within 20 working days of receipt of the written submission, forward the reference to an Independent Reviewer.

Conduct of the Reference

8. The Independent Reviewer will have discretion to decide how to conduct the review of the reference subject to the candidate's case being based upon one or more of the criteria set out in Paragraph 3 above.
9. Where an oral hearing is to be held the Secretary to the Independent Review will arrange the hearing at a time convenient to the candidate, BPP University College and the Independent Reviewer. Once a hearing has been fixed, it cannot be postponed except by agreement between the candidate and BPP University College or on the instructions of the Independent Reviewer.

The Independent Reviewer's decision

10. Where the Independent Reviewer concludes that:
 - (a) BPP University College has failed to follow the procedure laid down in these Regulations; or,
 - (b) the procedure followed is manifestly unfair; or,
 - (c) the decision consequent on the candidate's appeal is manifestly unreasonable,the Independent Reviewer may refer the matter back to BPP University College with such recommendations as he/she considers appropriate.
11. The Independent Reviewer will normally seek to complete the investigations and deliver his/her conclusions and recommendations in writing to the candidate and to BPP University College within 3 months of the reference being made.

Cost of the reference

12. BPP University College will provide a venue for the hearing, if any, and will pay a fee to and cover the expenses of the Independent Reviewer.
13. The candidate must, when lodging the application for the matter to be referred to an Independent Reviewer, pay to BPP University College the sum of £250 towards BPP University College's other costs in connection with the reference.
14. The Independent Reviewer will have discretion, when delivering his/her conclusions, to order the return, in whole or in part, of this £250 to the candidate.

Part L Equality and Diversity Policy

Statement

1. BPP University College is fully committed to promoting equality and tackling discrimination to ensure fair access to learning and facilities for students and staff. We are committed to ensuring that all our services take account of the diversity of local, national and international populations, without compromising quality of service. Services should be accessible to students regardless of age, disability, gender, race, sexual orientation and religion or belief. We are also committed to promoting equality and tackling discrimination which creates barriers to learning as part of the wider duty under the Equality Act 2010. As a leading provider of professional education BPP University College expects all students to demonstrate respect and consideration for others and to behave in the manner expected of professional practitioners.

Values and behaviours

2. In preservation of our values of inclusive practice, through fostering equality of opportunity, fairness, honesty and integrity BPP University College will:
 - (a) sustain an ethos of inclusion and participation through all staff, students and representatives;
 - (b) promote and foster good relations between all staff and students with protected characteristics and those who do not have such characteristics;
 - (c) take positive steps to counter inappropriate behaviours and eliminate unlawful discrimination, harassment and victimisation; challenging individuals or groups who express such behaviour;
 - (d) anticipate, remove or minimise disadvantages which could be experienced by people due to their protected characteristics;
 - (e) take steps to meet the needs of people with certain protected characteristics where these are different from the needs of other people;
 - (f) encourage people with identified under-represented protected characteristics to fully participate in educational activities and meaningfully engage with student activities;
 - (g) provide an environment which is accessible to all service users where practicably possible;
 - (h) work with partner and stakeholder organisations to uphold and maintain our values and ethos;

- (i) celebrate diversity and difference and strive to bridge cultural, social and psychological barriers.

Admissions to BPP University College

3. BPP University College will encourage disability disclosure and operate a Disclosure Policy which outlines procedure for data capture and provides applicants and students with the opportunity to restrict with whom disability information is shared.
4. Admissions teams and academic staff will give equitable consideration to all applicants during the applications process and make reasonable adjustments to that process to ensure that all applicants have a fair and meaningful experience of the process.
5. BPP University College will ensure that it continues to offer its services to all areas of society, fostering social mobility through competitive and flexible courses and modes of delivery.

Teaching, Learning and Assessment

6. All schools and Academic departments will be set equality and diversity objectives based on Annual Programme Monitoring Reports.
7. Subject and curriculum development will take account of diversity and inclusion issues as appropriate and especially in relation to race, age, cultural and religious diversity, disability, gender and sexual orientation.
8. Teaching staff will have staff development support in this area, as identified in appraisal and peer observations.
9. Reasonable adjustments; entitlements will be made to assessment methods to meet the needs of disabled students and those from diverse ethnic and religious backgrounds.
10. The Learning, Teaching and Assessment Enhancement Committee will provide a forum at which specific issues in teaching, learning and assessment with regard to inclusive practice and diversity will be considered.

Equality and Diversity Aims and Objectives

11. Develop the skills and knowledge of all staff across the BPP University College to ensure that everyone is clear about their responsibilities and duties under the Equality Act 2010 and how these can be implemented.
12. Utilise an Equality and Diversity working group to provide an institutional focus for Equality and Diversity issues, including monitoring and target setting of key data profiles of staff and students.

13. Develop and implement faculty Equality and Diversity strategies based on specific requirements identified through Annual Programme Monitoring reports.
14. Ensure that BPP University College's values and behaviours are embedded in corporate and academic practice at all levels of the organisation, including, but not restricted to policy and procedure.
15. Undertake and record Equality impact assessments of all activity to ensure that all services and functions are not divisive nor preclude engagement for those with protected characteristics.
16. Continue to engage with key stakeholders and involve their views in actions and reviews.

Monitoring

17. BPP University College will monitor and record equality and diversity information about staff and students on the basis of age, gender, ethnicity, and disability.
18. Where it is possible to do so, and where doing so will not cause offence or discomfort to those whom it is intended to protect, BPP University College will monitor the sexual orientation and religion or belief of staff and students to ensure that they are not discriminated against in terms of the opportunities or benefits available to them. Individuals may choose not to disclose their sexual orientation or religion or belief and care will be taken to avoid inadvertent discrimination in such cases.
19. BPP University College will store equality and diversity data as confidential personal data and restrict access to this information in accordance with the Data Protection Act 1998. Equal opportunities information will be used exclusively for the purposes of equal opportunities monitoring and have no bearing on opportunities or benefits.
20. Statistical information of students and staff (age, gender, ethnicity, and disability) will be produced and published to monitor and evaluate services through human resources, admissions, registration, achievement and onward progression; this information will form a central aspect of the Single Equality Scheme which will be reviewed annually.
21. All data will be submitted to the Equality and Diversity working group for review and action planning.

Review

22. BPP University College will review the operation of this policy not less than twice a year (or more regularly if non-compliance or problems concerning equality and diversity issues are identified).

23. BPP University College will take remedial action if non-compliance under this policy or barriers to equal opportunities are identified.
24. When reviewing the policy BPP University College will consider the outcome of monitoring and review actions under communication and training plans.
25. The publication of the Single Equality Scheme in line with duties of a Higher Education Institution under the Equality Duty (Equality Act 2010) will be reviewed annually ensuring protected groups and individuals are fully engaged with all aspects of the provision.

Responsibilities

26. The ultimate responsibility for the implementation of this policy and its functions is the Board of Directors at BPP University College.
27. Operational responsibility is the responsibility of the Head of Learning Support and Inclusion and Office.

Glossary of Terms

- Diversity is a broader term than 'equality' or 'equal opportunities' or 'equality of opportunity'. Diversity policies encompass all individuals by recognising that all of us have different characteristics which make us unique and that organisations benefit from taking these into account when offering services or employing people. In contrast to equal opportunity, diversity is not about treating people equally but rather it is about recognising and responding to different needs, experiences and aspirations and acting accordingly. Diversity is complimentary to equality of opportunity.
- Equal opportunities monitoring is the collection and analysis of information about a person that it used in order to check that a policy or procedure does not have an adverse impact on a particular group of people or amounts to unlawful discrimination. Information can be collected on race, disability, gender, age, and in some circumstances sexual orientation and religion or belief.
- Unlawful discrimination includes *direct discrimination*, *indirect discrimination*, *victimisation* and *harassment*.
- Direct discrimination occurs where a person is treated less favourably on the grounds of race, racial group, colour, ethnic or national origins, sex, pregnancy, marital status, disability or sexual orientation or religion or belief.
- Indirect discrimination occurs where an apparently neutral provision, criterion or practice would put a substantially higher proportion of the members of one sex, or people of a particular racial group or religion or belief, sexual orientation or with a disability at a particular disadvantage compared with other persons unless that provision, criterion or practice is objectively justified

by a legitimate aim and the means of achieving that aim are appropriate and necessary.

- Victimisation occurs where a person is treated less favourably because she or he has made a complaint of discrimination. This also applies to individuals who may have assisted or supported the complainant, for example, as a witness or by showing sympathy.
- Harassment occurs when unwanted conduct takes place with the purpose or effect of violating the dignity of a person and of creating an intimidating, hostile, degrading, humiliating or offensive environment. Harassment may involve physical acts or verbal and non-verbal communications and gestures. This will include physical, verbal and non-verbal acts.
- Positive discrimination is where you make a decision in someone's favour because of his or her particular characteristic, e.g. race, gender or disability. Positive discrimination is usually unlawful, unless it falls within one of the very limited exceptions contained in the anti-discrimination legislation in relation to disability or as a genuine occupation requirement.
- Positive action is often used as a way to minimise the effects and outcomes of past discrimination on groups. In some limited circumstances, employers or training bodies are allowed to take special measures relating to access to training for particular work, or encouragement to apply for particular posts. For example, where women are under-represented in senior management posts, running special training for women to encourage them to apply for senior posts is an example of positive action and lawful. However, the appointment of a woman to a senior post solely on the basis of her gender would be an example of positive discrimination and would be unlawful.
- Genuine occupational requirement is an express exception to the positive discriminate on a particular ground. However, there are some very limited circumstances in which it may be lawful to discriminate on grounds such as race, gender, disability, sexual orientation or religion. For example, where being of a particular racial or religious origin is an essential requirement for the job, or for reasons of decency or privacy. For detailed information on exceptions please refer to the appropriate anti-discrimination legislation.

The Protected Characteristics

- Where age is referred to, it refers to a person belonging to a particular age (e.g. 32 year olds) or range of ages (e.g. 18 - 30 year olds).
- A person has a disability if s/he has a physical or mental impairment which has a substantial and long-term adverse effect on that person's ability to carry out normal day-to-day activities.

- Gender reassignment is the process of transitioning from one gender to another.
- Marriage is defined as a 'union between a man and a woman'. Same-sex couples can have their relationships legally recognised as 'civil partnerships'. Civil partners must be treated the same as married couples on a wide range of legal matters.
- Pregnancy is the condition of being pregnant or expecting a baby. Maternity refers to the period after the birth, and is linked to maternity leave in the employment context. In the non-work context, protection against maternity discrimination is for 26 weeks after giving birth, and this includes treating a woman unfavourably because she is breastfeeding.
- Race refers to the protected characteristic of Race. It refers to a group of people defined by their race, colour, and nationality (including citizenship) ethnic or national origins.
- Religion has the meaning usually given to it but belief includes religious and philosophical beliefs including lack of belief (e.g. Atheism). Generally, a belief should affect your life choices or the way you live for it to be included in the definition.
- Sex refers to a man or a woman.
- Sexual orientation refers to whether a person's sexual attraction is towards their own sex, the opposite sex or to both sexes.

Schedule D: General Admissions Requirements**General Admissions Requirements**

1. Applicants must satisfy the admission requirements of the programme for which they have applied.
2. Applicants for Law School programmes whose first language is not English and who do not hold an honours degree that was delivered in English, shall be required to provide certified proof of ability in written and spoken English to, at least, IELTS level 6.5 or equivalent. Higher requirements may be specified in the programme regulations for individual programmes.
3. Applicants for postgraduate Business School programmes whose first language is not English and who do not hold an honours degree that was delivered in English, shall be required to provide certified proof of ability in written and spoken English to, at least, IELTS level 6.5 or equivalent. Higher requirements may be specified in the programme regulations for individual programmes.
4. Applicants for undergraduate Business School programmes whose first language is not English and who do not hold an honours degree that was delivered in English, shall be required to provide certified proof of ability in written and spoken English to, at least, IELTS level 6.0 (overall) or equivalent, plus a minimum of 6.0 in writing. Higher requirements may be specified in the programme regulations for individual programmes. In addition, students with an overall IELTS of 6.0 or equivalent shall be required to undertake a compulsory, additional, in-session English / Academic English course during the first term of their studies.
5. Any student in respect of whom it becomes apparent that his or her ability in the English language is not at the required level for successful completion of the programme, may be required by the Director of Programmes to take an English language proficiency test. If the result of the test reveals that the student's standard of English is below that required for admission, the student may be required to take action, at his or her own cost, to remedy the deficiency, within timescales agreed by the director of programmes, or otherwise to leave the programme.
6. A candidate for a higher degree shall be an honours graduate or equivalent.
7. In interpreting equivalence between qualifications reference must be made to the UCAS database, which shall be the final arbiter in case of dispute.

Schedule E: Delegations under these Regulations

The Academic Council under GAR/A/8 has delegated authority under the following regulations:

1. The Academic Council has delegated authority to approve such non-award courses as permitted under GAR/D/7(c and d), to the Education and Training Committee. By the terms of the delegation the Education and Training Committee shall:
 - (a) not approve programmes or courses which lead to an award of BPP University College under GAR/Part B or which carry a value of more than thirty credits in total.
 - (b) where it is proposed that a short course should carry credit towards any award bearing programme, secure the endorsement of the Board of Examiners for all relevant award programmes, including approval by the external examiner members (this may be accomplished where appropriate through proceeding by circulation).
 - (c) report to the Academic Council, at the first available opportunity, on short courses approved, the terms of their approval and where any proposal that a course carries credit on an award bearing programme of study the endorsement by the relevant Board of Examiners.
2. The Academic Council has delegated authority to approve individual modules as permitted under GAR/D/7(e) to the Education and Training Committee. By the terms of the delegation the Education and Training Committee shall:
 - (a) take advice from an external verifier and from the director of programmes or programme leader, as appropriate, for the programme(s) concerned to satisfy itself that the standards of awards directly affected by the proposal and the interests and rights of students registered on the relevant programme, and on other programmes directly affected by the proposal are reasonably safeguarded.
 - (b) formally report any such change to the Academic Council with reference to the programme handbook.
3. The Academic Council has delegated authority to approve such modifications as permitted under GAR/D/7(f) to the dean of the relevant school. By the terms of the delegation the dean shall:
 - (a) not approve any modifications which have been determined by the Dean of Academic Affairs to fall rightly under GAR/D/7(g).
 - (b) take advice from the director of programmes or programme leader, as appropriate, for the relevant programme to satisfy himself or herself that the standards of awards directly affected by the proposal and the interests and rights of students registered on the relevant programme, and on other programmes directly affected by the proposed modification, are reasonably safeguarded.
 - (c) formally report any such change to the Dean of Academic Affairs, or nominee with reference to the programme handbook.

4. The Academic Council has delegated authority to approve such modifications as permitted under GAR/D/7(g) to the Education and Training Committee. By the terms of the delegation the Education and Training Committee shall:
 - (a) take advice from the director of programmes or programme leader, as appropriate, for the relevant programme to satisfy itself that the standards of awards directly affected by the proposal and the interests and rights of students registered on the relevant programme, and on other programmes directly affected by the proposed modification, are reasonably safeguarded.
 - (b) formally report any such change to the Academic Council with reference to the programme handbook.
5. The Academic Council has delegated authority to determine disputes under GARs/D/7 to the Dean of Academic Affairs. By the terms of the delegation the Dean of Academic Affairs shall:
 - (a) give due regard to safeguarding the standards of awards of BPP University College, the interests and rights of students, and the quality of provision on programmes which may be directly affected by the proposal.
 - (b) provide an efficient and effective final decision and not be bound to give reasons for the decision.
6. The Academic Council has delegated authority to determine disputes under GARs/F/5 to the Dean of Academic Affairs. By the terms of the delegation the Dean of Academic Affairs shall:
 - (a) give due regard to safeguarding the integrity of BPP University College's recruitment policies and procedures.
 - (b) give due regard to the needs and legitimate interests of applicants and prospective students.
 - (c) provide an efficient and effective final decision and give clear reasoning for the decision.
7. The Academic Council has delegated authority under GAR/A/8 to the Education and Training Committee to approve all new additions to, or modifications of, the sub-regulatory instruments listed in Schedule A of the General Academic Regulations. By the terms of the delegation the Education and Training Committee shall:
 - (a) report to the Academic Council, at the next available opportunity through the Dean of Academic Affairs, all alterations that the Committee has approved to the sub-regulatory instruments.
 - (b) once a year, provide each member of the Academic Council with a consolidated version of the approved sub-regulatory instruments including all alterations approved by the Committee in the previous year.

- (c) seek the advice of the Academic Council in any area of procedure, policy or guidance where the Academic Council has been deemed to have authority by resolution of the Board of Directors on 12 November 2007, and where the Committee considers that possible controversy or impact on perceptions of standards of academic quality may require the approval of the Council.
- (d) give due regard to safeguarding the standards of awards of BPP University College, the interests and rights of students, and the quality of provision on programmes which may be directly affected by the sub-regulatory instrument.

Schedule F: Derogations from the General Academic Regulations Governing Awards

1. The following derogations from the General Academic Regulations (GARs) and subordinate regulatory instruments were approved by the Academic Council for the Academic Year 2010/11 (Minute AC/26/18)
2. GARs Part C: Programmes of Study
 - (1) GDL: Derogation from maximum completion time of 4 years for full time students. Rationale -the Joint Academic Stage Board regulations require full-time students to complete in 3 years.
 - (2) LPC: Derogation from maximum completion time of 4 years for Postgraduate Diplomas. Rationale - the SRA specifies maximum completion time of 5 years.
 - (3) LLB and LLB (Business Law): Derogation from maximum completion time of 7 years. Rationale - the SRA specifies a maximum completion time of 6 years for a QLD, therefore the LLB and LLB (Business Law) were validated to have a maximum completion time of 6 years.
 - (4) LLB (GDL conversion): Derogation from including APL in the maximum completion period. Rationale - the 360 credits of this degree comprise:
 - (a) the student's first degree which is a prerequisite for entry to the GDL (or in exceptional circumstances APEL equivalent to an undergraduate degree). Students are awarded 120 credits for this APL (whether APCL or APEL).
 - (b) the GDL (180 credits).
 - (c) a further 60 credits undertaken after completion of the GDL.

The LLB (GDL conversion) maximum time limit starts running at (b) above, i.e. from the start of the GDL and does not include the APL at (a) above. (Note that for the purposes of the GDL there is no maximum time limit from commencement (or finishing) first degree and commencement (or finishing) the GDL.)
 - (5) LLM (PLP): Derogation from maximum completion time of 5 years for Masters Degrees for students who commenced the LPC or BVC/BPTC in 2006, 2007 or 2008. Rationale - The LPC and BVC/BPTC comprise the first 120 credits of this LLM. Information to students starting in 2006, 2007 and 2008 indicated that they had a period of 5 years to complete from finishing the LPC or BVC/BPTC rather than from commencing those programmes.
 - (6) MChiro: Derogation from GAR C/11 to enable the Health School to retain its 5 credit modules rather than the required minimum of 10 credits. This derogation will cease at the next review of the programme.

3. GARs Part F: Admission and Registration

- (1) GDL: Derogation from the attendance requirement because attendance is not mandatory on the GDL.

Rationale:

- (a) students have the option of viewing lectures on-line and completing tutorials on-line and do not need to be “in attendance at BPP University College” in order to do this;
- (b) students are expected and encouraged to “attend” (either on-line or at BPP University College), they are closely monitored and strong pastoral support and guidance given if a student is not attending. However, ultimately, attendance is not mandatory, the choice being for the student as to how the learning outcomes are achieved.
- (2) LLB (GDL conversion): See above regarding the GDL component of this programme. Rationale - the 60 credits of modules taken following the GDL comprise on-line modules for which there is no attendance at BPP University College, and a research project for which students do not need to be in College.
- (3) LLB and LLB (Business Law) and LLB (Law with Psychology): Derogation from the attendance requirement. Rationale:
- (a) Students have the option of on-line lectures (which can be downloaded to MP3 and MP4) and of completing tutorials on-line and do not need to be “in attendance at BPP University College” in order to do this.
- (b) Students are expected and encouraged to “attend” (either on-line or at BPP University College), they are closely monitored and strong pastoral support and guidance given if a student is not attending. However, ultimately, attendance is not mandatory, the choice being for the student as to how the learning outcomes are achieved.

4. GARs Part H: Examination and Assessment

- (1) LLB [GDL conversion] – final 60 credits
The LLB [GDL conversion] comprises the GDL together with a further 60 credits of modules taken after completion of the GDL. The programme structure is validated such that students undertake these final 60 credits in their own time, online, and can choose to sit the examinations at any sitting. There is no expectation, therefore, that a student will sit or submit an assessment at the next available sitting.
- (2) LLM (PLP) – final 60 credits
The LLM (PLP) comprises the BVC/BPTC or LPC together with a further 60 credits. The programme structure is validated such that students can choose to undertake these final 60 credits at any time so long as it is within the overall completion time for the programme. There is no

expectation, therefore, that a student will sit or submit an assessment at the next available sitting.

5. Manual of Policies and Procedures Part F: Admission and Registration: Section 1: Criteria for Admission - English language requirement for international students:

- (1) BVC/ BPTC: Derogation from paragraphs 11 and 12 deeming English language requirement met if applicant has been taught and assessed in the English language. Rationale - the BSB do not allow the English language requirement to be met in this way.
- (2) BVC/ BPTC: Derogation from paragraph 13 including the table illustrating how a student may demonstrate that the English language qualification has been met. Rationale - The BSB require a minimum score of 7.5 in each element of IELTS.

6. Manual of Policies and Procedures Part H: Examination and Assessment

Section 1: Assessment Rules: Postgraduate Awards

- (1) LPC (derogation from the entire section): The LPC assessment regulations are drafted according to SRA requirements which include a different classification structure, a different threshold for classifications and a different method of aggregating the final mark.
- (2) BVC/ BPTC (derogation from the entire section): The BVC/ BPTC assessment regulations are drafted according to BSB requirements including a different classification structure, a different pass mark for some assessments, a different threshold for classifications and a different method of aggregating the final mark.
- (3) LLM (Professional Legal Practice) (derogation from the entire section): The first 120 credits of this programme comprise the BVC/BPTC or the LPC for which the derogation is requested for the reasons indicated above.
- (4) MA (Law with Business) (derogation from the entire section): The first 120 credits of this programme comprise the BVC/BPTC or the LPC for which the derogation is requested for the reasons indicated above.
- (5) BSc (Hons) Nursing programmes: Reassessment of Failed Attempts: to restrict students to one first sit and one re-sit at each assessment component rather than the one sit and two re-sits.

7. Manual of Policies and Procedures Part H: Examination and Assessment

Section 2: Assessment Rules: Undergraduate Awards

- (1) BSc (Hons) Nursing programmes: Reassessment of Failed Attempts: to restrict students to one first sit and one re-sit at each assessment component rather than the one sit and two re-sits.

8. Manual of Policies and Procedures Part H: Examination and Assessment; Section 3 Deferral of Examination Procedure
- (1) LLB [GDL conversion] – final 60 credits: The LLB [GDL conversion] comprises the GDL together with a further 60 credits of modules taken after completion of the GDL. The programme structure is validated such that students undertake these final 60 credits in their own time, online, and can choose to sit the examinations at any sitting. The deferral procedure is not therefore applicable.
 - (2) LLM (PLP): The LLM (PLP) comprises the BVC/BPTC or LPC together with a further 60 credits. The programme structure is validated such that students can choose to undertake these final 60 credits at any time so long as it is within the overall completion time for the programme, they are not, therefore expected to sit or submit an assessment at the next available sitting. The deferral procedure is not therefore applicable.

Schedule G: Definitions

Academic Misconduct	<p>Academic misconduct is defined as any act, or attempted act, leading to circumstances whereby a student, or another, might gain an unpermitted or unfair advantage in an examination or an assessment or in the determination of results, whether by advantaging the alleged offender or by advantaging or disadvantaging another or others, or which might otherwise undermine the integrity or reputation of BPP University College and its examination and assessment process.</p> <p>Examples of academic misconducts include but are not limited to <i>plagiarism, collusion, fabrication, impersonation, misrepresentation, unauthorised possession or reference, bribery/intimidation, breach of the rubrics of assessment.</i></p>
Academic Year	An academic year is a period of twelve months running from October to September.
Aegrotat Award	An aegrotat award may be recommended by a board of examiners where a student has been unable to provide sufficient evidence for the board to recommend an award but where the board is satisfied that except for illness, or other valid cause, the student would have reached the standard required for the award.
Anonymous Marking	The identity of students is not revealed to markers and/or to the assessment panel or examination board. There may be a point towards the end of the assessment process where anonymity ends.
AP(E)L	Accreditation of Prior (Experiential) Learning refers to the recognition of prior certified learning or non-accredited experience, usually designed to allow a candidate entry onto a programme without the traditional admissions qualifications or to permit exemptions from certain programme modules.
Assessment	A broad term used to refer to all methods whereby a student's work may be assessed. Assessment can be <i>Diagnostic, Formative</i> or <i>Summative</i> .
Assessment Criteria	Based on the intended learning outcomes for the work being assessed, the knowledge, understanding and skills markers expect a student to display in the assessment task and which are taken into account in marking the work.
A-synchronous Online Seminar	An online class which students and tutors attend asynchronously, i.e. not at the same time. A particular a-synchronous online seminar is typically open for 5 days a week and students are expected to participate in the learning activity in their own time. This is the most flexible version of seminar attendance and is especially good for students who cannot attend the timetabled classes for any reason.
Authenticity	Authenticity also applies to the certainty of the submitted work being that of the student. In such cases an assessment that has a high level of security enhances authenticity, or the assessment instrument matrix has been designed in such a way to ensure that the overall result is based on a diet of assessments which provides reassurance that the student achieved the outcomes.
Award	A qualification or certificated credit conferred upon a student who has achieved the intended learning outcomes and passed the assessments required to meet the academic standards set by an institution for the award. Awards may be divided into modules, units or elements at various levels and with different volumes of study, each of which has attached to it intended learning outcomes and academic standards to be achieved by students in order to receive the final award.

Blind Marking	Blind marking occurs where an assessment is marked by two markers without their identities being known to each other. For example, the second marker would not know who first-marked the work. This is designed to increase the objectivity of marking judgements.
Breach of the Rubrics of the Assessment	Breach of the Rubrics of the Assessment: <ul style="list-style-type: none"> commencing a time-constrained examination or assessment before being instructed by an invigilator to do so or continuing with an examination or assessment after being instructed by an invigilator to stop; improper annotation of open book material.
Bribery/ Intimidation	Bribery/ Intimidation is the act of attempting to influence by bribery or other unfair means an official of BPP with the aim of affecting a student's results.
Calendar Year	A calendar year is a period of twelve months running from 1st of January to 31st of December.
Candidate	A student of BPP University College who is being considered under regulations or procedures relating to assessment or the granting of an award.
Certificates and Diplomas	A certificate or diploma may be awarded at undergraduate or postgraduate level, either as a planned exit point from a Bachelor's or Master's degree programme, or as a stand alone award such as the Graduate Diploma in Law or the Postgraduate Diploma in Legal Practice. Certificates are usually specified at a lower level and duration of study than diplomas.
the College	Unless expressly provided to the contrary, the College means BPP University College of Professional Studies Limited.
College Centre	College Centre describes the distributed locations at which teaching programmes are delivered. BPP University College Centres are in Abingdon, Birmingham, Bristol, Cambridge, Leeds, Liverpool, London City, London Holborn, London Waterloo, Manchester, Newcastle and New College Swindon.
Collusion	Collusion is the act of aiding, or being aided by, one or more others in the preparation of an assessment for submission where the assessment brief or invigilation instructions do not expressly permit collaboration. Collaboration within, for example, a moot or a group project that is explicitly permitted by the examination or assessment regulations does not constitute collusion. Unpermitted collusion includes: <ul style="list-style-type: none"> A student working with another person on an assessment and submitting or otherwise presenting the resulting assessment as an individual student's own work. Un-permitted collaboration in the preparation for submission of a seen assessment or communication with another student within an unseen examination.
Concession	A concession is the disregarding of an examination or assessment result or attempt, and means that a student's results are processed as if the assessment or examination had never been taken by the student. A concession is the acceptance on the part of an authorised body that mitigating circumstances, supported by objective and authoritative evidence, have affected a student's summative assessment and the voiding of that attempt at the assessment. The granting of a concession will not result in any increase in marks.

Core Module	A programme module that a student must both take and pass in order to progress.
Co-requisite Modules	Co-requisite modules are two, or more, modules which must be taken together.
Credit	<p>A quantified means of expressing units of learning. Credit is awarded where there has been a verified achievement of stated learning outcomes at a specified level. Credit is quantified so that learning achieved in different programmes and modules can be broadly compared in terms of intellectual demand and relative volume. Modules carry a credit value and there are common credit values for different award programmes across higher education in England, Wales and Northern Ireland.</p> <p>As a rule of thumb, one credit is deemed to correspond to 10 notional learning hours - these may include direct contact time, self-study and assessment).</p>
Deferral	A deferral is the approval for a student to defer sitting an examination or undertaking a coursework assessment until the next available opportunity. A deferral is different from an extension as the student will not undertake the same coursework task or examination as students undertaking the assessment at the current sitting.
Diagnostic Assessment	Diagnostic assessment is used to show a learner's preparedness for a module or programme and identifies, for the learner and the teacher, any strengths and potential gaps in knowledge, understanding and skills expected at the start of the programme, or other possible problems. Particular strengths may lead to a formal consideration of accreditation of prior learning.
Double/ second Marking	Double/second marking (also referred to as 'internal verification') occurs where student work is independently assessed by more than one marker. Each marker normally keeps a record of all marks awarded, together with his/her rationale for awarding each mark. In some cases, second markers have the first marker's comments and/or marks/grades. Where this is not the case, the use of marking sheets or similar procedures for written work is sometimes used to ensure that the marks given by the first marker do not influence the second marker's judgement. Markers' notes enable discussions to take place, after initial marking, about the reasons for individual decisions if there is a significant difference between the markers' judgements.
Enrolment	Enrolment takes place when BPP University College records a student's formal communication of acceptance of an offer of admission on conditions attaching to the offer.
Examination	An examination is an assessment of any duration which is subject to continuous invigilation. In the case of a skill performance the examination script may include visual material such as a video recording as well as written materials such as a plan.
Excluded Combinations	Excluded combinations of modules are pools of two or more modules from which a student is permitted to choose only one.
Exclusion	Exclusion means that a student has been required to withdraw from BPP University College either temporarily and for a specified period of time, or permanently.
Exit Award	An interim award which is available to a student who is unable to meet the credit requirements for a higher level award, but who has nevertheless completed a significant period of study and achieved the specified learning outcomes for that interim award.
Extension	An extension is the approval for a student to submit a coursework assessment later than the given deadline.

External Examiner	An External Examiner is an independent senior academic or professional, who is a specialist in a particular field with extensive expertise and experience, and who has been appointed to a particular BPP programme in order to scrutinise the academic standards of the award and the standards of student performance, the measurement of student achievement, and the rigour and fairness of the assessment process.
Fabrication	Fabrication is the presentation of data or such other results in reports intended to be based on empirical work which has either not been undertaken or fully completed and where the data or results have, in whole or part, been deliberately invented or falsified.
Flexi-Mode	Flexi-mode provides students with the opportunity to switch between modes of study for different modules within a programme (but not within a module) and to increase or decrease the number of modules taken in any particular term. The modes of study may be face-to-face, online synchronous or online a-synchronous.
Formative Assessment	Formative assessment has a developmental purpose and is designed to help learners learn more effectively by giving them feedback on their performance and on how it can be improved and/or maintained. Reflective practice by students sometimes contributes to formative assessment.
Grade Descriptors	Grade descriptors encapsulate a level of achievement in relation to bands of marks. For individual assignments they indicate how well the assessment criteria have been met; for award classifications they indicate the level of achievement across a programme of study as a whole.
Impersonation	Impersonation is the act of one person assuming the identity of another with the intent to gain an unfair advantage for the person being impersonated, for example, by undertaking an examination on the other's behalf. Both parties, the impersonator and the person being impersonated, shall be considered culpable of academic misconduct.
Intermission	Intermission is defined as a period of approved absence from the programme of study where a date for re-entering the programme at an appropriate point has been approved by the programme group director. Reasons for granting intermission may include: ill-health of a serious or extended nature; <ul style="list-style-type: none"> • financial hardship where the student is unable to meet his or her fee payments or otherwise needs to return to employment; • maternity and paternity leave or parental duties of a similarly demanding kind; • significant compassionate grounds; • changes of a significant nature to the employment commitment of part-time students.
Intermit	To intermit means to voluntarily and temporarily suspend registration by a student with the approval of the school board.
Learning Outcomes	The expected outcomes from a process of learning. Statements of learning outcomes indicate what learners should have gained as a result of their learning on a module or on a programme.
Level	A broad indicator to the relative demand, complexity, depth of study and autonomy or independence of learning. Within the Framework for Higher Education Qualifications in England, Wales and Northern Ireland there are descriptors for five higher education levels.

Linked Modules	Two or more modules formally connected with overall learning outcomes and co-ordinated assessment leading to a single result status for the connected modules.
Manifestly Unreasonable	A decision is "manifestly unreasonable" if it can be demonstrated unequivocally that an officer of BPP University College or a properly constituted College Panel or Board has made an irrational, perverse or logically flawed decision.
Matriculation	The process of matriculation involves a student providing evidence as required both of the qualifications claimed in the student's application for admission and also of other requirements imposed as a condition of admission being met.
Marking Scheme	A detailed framework for assigning marks, where a specific number of marks is given to individual components of the answer.
Misrepresentation	Misrepresentation can include: <ul style="list-style-type: none"> • presenting a claim for mitigating circumstances, or supporting evidence, which is misleading, untrue or false; • exceeding the word limit specified for an assessment and declaring a lower word count than the assessment contains.
Mitigating Circumstances	Mitigating circumstances are defined as unforeseeable and unavoidable circumstances that may be deemed to have a detrimental effect on academic ability and academic performance.
Mode of Study	Mode of study describes the way a module or programme is studied. Approved modes are full-time, part-time day, part-time evening and part-time weekend. A programme comprises the study of an approved sequence of modules each by a specified mode leading to stated learning outcomes and awards whether of BPP University College or a validating body for which a student is registered.
Model Answer	Model answer is the assessor's explicit view of what an answer to an assessment task should contain. Model answers are more commonly used where the right answer can be defined precisely.
Moderation	Moderation is a process intended to assure that an assessment outcome is fair and reliable and that assessment criteria have been applied consistently. Forms of moderation include: <ul style="list-style-type: none"> • sampling, either by an internal or external examiner • additional marking, for example of borderlines, firsts and fails, or where there is significant difference between the marks of different markers that cannot be resolved without the opinion of another marker • review of marks: where there is a significant difference between several assessment marks, within or between parts of a programme, which indicate the marks may need to be reconsidered.
Module	A module is a coherent and self-contained unit of learning and teaching with specified aims and defined learning outcomes. Modules may have different credit weightings in accordance with their content and duration. A module may be taught and assessed within one or more than one semester provided that the module is set in a single stage and at a single level and, where this is applicable, single sub-level. Marks for completed items of module assessment must be aggregated and a result status determined for the module.
Pathway Programme	A programme whose successful completion enables students to gain access onto degree programmes.

Plagiarism	<p>Plagiarism: is derived from the Latin term “plagiarius” meaning kidnapper, and is defined in the OED as “the wrongful appropriation or purloining, and publication as one’s own, of the ideas, or expression of the ideas (literary, artistic, musical, mechanical, etc.) of another.” and includes:</p> <ul style="list-style-type: none"> • copying the work of another without proper acknowledgement; • copying from text books without proper acknowledgement; • downloading and incorporating material from the internet within one’s work without proper acknowledgement; • paraphrasing or imitating the work of another without proper acknowledgement. Proper acknowledgement requires the identification of material being used, and explicit attribution to the author and the source using referencing acceptable to the subject discipline.
Poor Academic Practice	Poor Academic Practice is defined as the inadvertent breach of academic practice or conventions which is below the level of infringement, where no distinguishable advantage may be or has been accrued to the student, and where there is no discernible intention to deceive.
Pre-requisite Modules	A pre-requisite module is a specified module that must be taken before a student may take a second specified module which deals with related material but usually at a higher level.
Programme	Programme, or programme of studies, is used to describe an approved curriculum, studied through formally designated modules, leading to stated learning outcomes and awards, whether of BPP University College or of another awarding body, for which a student is registered.
Programme Specifications	Programme specifications set out detailed information about a programme at the core of which is a concise description of the intended outcomes of learning from a higher education programme and the means by which these outcomes are to be achieved and demonstrated.
Prohibited combination	Prohibited combination is used to describe two modules which may not both be included in the same approved programme.
Registration	The process of registering an applicant who has been enrolled and matriculated as a student of BPP University College, in a named School and on a named programme and, if appropriate, pathway of study, and specified modules.
Repeat	To study for another time a whole stage, module or component part of a module.
Resubmit	Resubmission applies to programmes where the examiners may require a dissertation or project to be corrected or improved and to be re-examined.
Retake	To take for a second or third time one or more items of coursework assessment or an examination, for a mark capped at the pass mark, without having to repeat the associated study.
Sampling	Sampling is most commonly used in the process of <i>moderation</i> (see above). It normally involves internal or external examiners scrutinising a sample of work from a student cohort. Sampling may be based on the desirability of checking borderline marks of any kind, or to test that assessment criteria have been applied consistently across the assessment of students in the cohort.
School Board	For the purpose of these Regulations the use of the term is deemed to also mean a student progress sub-board of the school board where one has been established.

Seen Examination	A 'seen' examination is one where the examination questions are released to the students in advance of the examination date. Students then have the opportunity to prepare their answers before writing them under formal invigilated examination conditions.
Short Course	A programme of studies that does not of itself lead to an award of BPP University College and does not attract a value of more than 30 credit points.
Stage	A stage is a sub-division of a programme where a programme has a credit value of more than 120 credit points. The completion of a stage is an identified step in student progress towards the completion of a programme.
Stream	A pathway through a degree indicates a specialisation and attracts a suffix in the degree title.
Student	A student is a person registered on an approved programme of study.
Study Pathway	A study pathway is an approved suite of modules with disciplinary, inter-disciplinary or multi-disciplinary coherence forming one part of a programme leading to a designated award and having a credit value of at least 60 credit point in an honours degree at level H.
Summative Assessment	Summative assessment is used to indicate the extent of a learner's success in meeting the assessment criteria used to gauge the intended learning outcomes of a module or programme.
Synchronous Online Seminar	An online classroom where students and tutor attend at the same time in weekly timetabled slots; physically they may be located anywhere. These are known as synchronous or realtime online classes. Depending on the software used, participants can speak with each other, see and hear each other and/ or the tutor, use instant messaging, share documents and visuals, work in groups, as well as archive the class.
Synoptic Assessment	An assessment that encourages students to combine elements of their learning from different parts of a programme and to show their accumulated knowledge and understanding of a topic or subject area. A synoptic assessment normally enables students to show their ability to integrate and apply their skills, knowledge and understanding with breadth and depth in the subject. It can help to test a student's capability of applying the knowledge and understanding gained in one part of a programme to increase their understanding in other parts of the programme, or across the programme as a whole.
Taught Degree	A taught degree includes any degree that is not awarded solely or largely on the basis of independent or supervised research. Taught degrees include all bachelor's degrees and those master's degrees where the first two semesters at least comprise a programme of study and where any dissertation component does not count for more than 33% of the marks counting towards the award.
Trimester (term)	A trimester is a subdivision of the academic year. Each trimester comprises 15 study weeks and, subject to the programme regulations, may attract 60 credits. There are up to three trimesters in a calendar year.

Unauthorised Possession or Reference	<p>Unauthorised Possession or Reference includes:</p> <ul style="list-style-type: none"> • being in possession of any prohibited material or item within an examination or assessment room unless expressly permitted by the examination and assessment regulations; • using unauthorised material or item in an examination or unseen assessment; • consulting or trying to consult any books, notes or similar material or item while temporarily outside the examination room during the period of the examination; • gaining access to a copy of an examination paper or assessment material(s) in advance of its authorised release
Unseen Examination	<p>An 'unseen' examination is one where the students have had no sight of the examination paper content prior to the start of the examination itself.</p>
Validity	<p>Validity in assessment refers to the extent to which an assessment instrument, an examination, essay or oral presentation for example, accurately measures the achievement by students of the intended outcomes of a programme of study or other learning experience.</p>
Viva Voce (Examination)	<p>Viva voce - from Medieval Latin, literally meaning 'with/by the living voice', is a form of oral examination or academic discussion with senior academic colleagues. A Viva voce examination is often used in the context of research dissertations where it constitutes the verbal defence of the written thesis.</p> <p>A viva voce examination may be used a supplementary form of assessment to determine a student's overall achievement.</p>
